Stingray Pipeline Co.; Notice of Request Under Blanket Authorization

May 31, 1995.

Take notice that on May 23, 1995, Stingray Pipeline Company (Stingray), 701 East 22nd Street, Lombard, Illinois 60148, filed in Docket No. CP95-508-000 a request pursuant to Section 157.205 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205) for authorization to acquire, own, construct and operate facilities in Vermillion Blocks 321, 348, 362 and 371 Offshore Louisiana, to receive and transport up to 150 Mmcf/day of natural gas for Samedan Oil Corp. Energy Development Corporation and Shell Offshore Inc. (Producers), under Stingray's blanket certificate issued in Docket No. CP91-1505-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Stringray proposes to acquire, own and operate dual 10-inch meter facilities and approximately 0.09 miles of 20-inch lateral to be constructed by the Producers on the production platform being constructed by the Producers in Vermillion Block 371 Offshore Louisiana.

Stringray proposes further to construct, own and operate 15.61 miles of 20-inch lateral from the Vermillion 371 production platform to Stingray's existing facilities in Vermillion Block 321, Offshore Louisiana and a 20-inch subsea tap valve assembly to be available for a future interconnect.

Stringray, in addition, proposes to construct, own and operate a 20-inch and 12-inch subsea tap valve assembly on the proposed 20-inch lateral in Vermillion Block 362 for future interconnects as well as a 12-inch

subsea tap valve on the proposed 20-inch lateral in Vermillion Block 348 for a future interconnect.

It is said that the total cost of the facilities proposed for acquisition and construction is estimated to be approximately \$9.06 million.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-5215-6]

National Environmental Education and Training Foundation, Inc. Announcement of a New Appointment to the Board of Directors

The National Environmental Education and Training Foundation was created by Public Law #101-619, the National Environmental Education Act of 1990. It is a private 501(c)(3) non-profit organization established to promote and support education and training as necessary tools to further environmental protection and sustainable, environmentally sound development. It provides the common ground upon which leaders from business and industry, all levels of government, public interest groups, and others can work cooperatively to expand the reach of environmental education and training programs beyond the traditional classroom. The Foundation will develop and support a grant program that promotes innovative environmental education and training programs; it will also develop partnerships with government and other organizations to administer projects that promote the development of an environmentally literate public.

The Administrator of the U.S. Environmental Protection Agency, as required by the terms of the Act, announces the appointment of Sam Rowse and Wayne Allen to the National Environmental Education and Training Foundation, Inc. Board of Directors.

Sam Rowse is President of Veryfine Products, Inc., Westford, Massachusetts. Mr. Rowse served as company treasurer from 1972 through 1989 when he was named President. He has served as vice chairman of the board of directors for the Processed Apples Institute and is a member of the National Juice Processors Association. Mr. Rowse is a member of the Joslin Clinic's Boston Committee and serves as trustee of The Deaconess Nashoba Hospital in addition to holding the position of corporator at the Deaconess Hospital in Boston.

Mr. Rowse is a graduate of Lawrence Academy in Groton, Massachusetts and holds a business degree from Nasson College in Springvale, Maine. His term of office is four years.

W.W. (Wayne) Allen is chairman and chief executive officer of Phillips Petroleum Company. Mr. Allen joined Phillips in 1961 as an engineer. After holding various staff engineering positions, Mr. Allen was elected to the board of directors in 1989, in 1991 became president and chief operating
