

Publications Services, Office of Administration, U.S. Nuclear Regulatory Commission, Washington, DC 20555. Copies of comments received may be examined at the NRC Public Document Room, 2120 L Street NW., Washington, DC. Comments will be most helpful if received by July 31, 1995.

Although a time limit is given for comments on this draft guide, comments and suggestions in connection with items for inclusion in guides currently being developed or improvements in all published guides are encouraged at any time.

Comments may be submitted electronically, in either ASCII text or Wordperfect format (version 5.1 or later), by calling the NRC Electronic Bulletin Board on FedWorld. The bulletin board may be accessed using a personal computer, a modem, and one of the commonly available communications software packages, or directly via Internet.

If using a personal computer and modem, the NRC subsystem on FedWorld can be accessed directly by dialing the toll free number: 1-800-303-9672. Communication software parameters should be set as follows: parity to none, data bits to 8, and stop bits to 1 (N,8,1). Using ANSI or VT-100 terminal emulation, the NRC NUREGs and RegGuides for Comment subsystem can then be accessed by selecting the "Rules Menu" option from the "NRC Main Menu." For further information about options available for NRC at FedWorld, consult the "Help/Information Center" from the "NRC Main Menu." Users will find the "FedWorld Online User's Guides" particularly helpful. Many NRC subsystems and data bases also have a "Help/Information Center" option that is tailored to the particular subsystem.

The NRC subsystem on FedWorld can also be accessed by a direct dial phone number for the main FedWorld BBS, 703-321-3339, or by using Telnet via Internet, fedworld.gov. If using 703-321-3339 to contact FedWorld, the NRC subsystem will be accessed from the main FedWorld menu by selecting the "Regulatory, Government Administration and State Systems," then selecting "Regulatory Information Mall." At that point, a menu will be displayed that has an option "U.S. Nuclear Regulatory Commission" that will take you to the NRC Online main menu. The NRC Online area also can be accessed directly by typing "/go nrc" at a FedWorld command line. If you access NRC from FedWorld's main menu, you may return to FedWorld by selecting the "Return to FedWorld" option from the NRC Online Main Menu. However, if

you access NRC at FedWorld by using NRC's toll-free number, you will have full access to all NRC systems but you will not have access to the main FedWorld system.

If you contact FedWorld using Telnet, you will see the NRC area and menus, including the Rules menu. Although you will be able to download documents and leave messages, you will not be able to write comments or upload files (comments). If you contact FedWorld using FTP, all files can be accessed and downloaded but uploads are not allowed; all you will see is a list of files without descriptions (normal Gopher look). An index file listing all files within a subdirectory, with descriptions, is included. There is a 15-minute time limit for FTP access.

Although FedWorld can be accessed through the World Wide Web, like FTP that mode only provides access for downloading files and does not display the NRC Rules menu.

BILLING CODE 7590-01-M

PENSION BENEFIT GUARANTY CORPORATION

Request for a Collection of Information Under the Paperwork Reduction Act; Customer Satisfaction Focus Groups for Premium Payers

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of request for OMB approval.

SUMMARY: The Pension Benefit Guaranty Corporation has requested that the Office of Management and Budget ("OMB") approve a new collection of information under the Paperwork Reduction Act. The purpose of this information collection, which will be conducted through focus group

meetings, is to help the agency in assessing the efficiency and effectiveness with which it serves premium payers and in designing actions to address identified problems. The effect of this notice is to advise the public of the PBGC's request for OMB approval of, and to solicit public comment on, this collection of information.

ADDRESSES: All written comments (at least three copies) should be addressed to: Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for the Pension Benefit Guaranty Corporation, 725 17th Street, NW., Room 3208, Washington, DC 20503. The request for approval will be available for public inspection at the PBGC Communications and Public Affairs Department, Suite 240, 1200 K Street, NW., Washington, DC 20005, between the hours of 9 a.m. and 4 p.m.

FOR FURTHER INFORMATION CONTACT: Holli Beckerman Jaffe, Attorney, Office of the General Counsel, Suite 340, 1200 K Street, NW., Washington, DC 20005, 202-326-4024 (202-326-4179 for TTY and TDD). (These are not toll-free numbers.)

SUPPLEMENTAL INFORMATION: The Paperwork Reduction Act of 1980 (44 U.S.C. Chapter 35) establishes policies and procedures for controlling the paperwork burdens imposed by Federal agencies on the public. The Act vests the Office of Management and Budget (OMB) with regulatory responsibility over these burdens, and OMB has promulgated rules on the clearance of collections of information by Federal agencies.

Executive Order 12862, Setting Customer Service Standards, states that, in order to carry out the principles of the National Performance Review, the Federal Government must be customer-driven. It directs all executive departments and agencies that provide significant services directly to the public to provide those services in a manner that seeks to meet the customer service standards established in the Executive Order.

The PBGC has decided to comply with Executive Order 12862 with respect to its premium-paying customers through a two-step methodology, *i.e.* focus groups followed by mail surveys. Because the mail surveys will depend, in part, on the customer expectations developed through the focus groups, the PBGC is requesting, at this time, approval of the focus group information collection only. The PBGC will publish, at a later date, an additional notice, with request for comments, on the second step of the

proposed methodology, *i.e.*, a mail survey to be sent to a random sample of plan administrators, plan sponsors, and consultants involved in the PBGC premium payment process.

This collection of information will put a slight burden on a very small percentage of the public, and will affect only those members of the public who volunteer to participate. Five focus group meetings of up to 15 customers will be held. The 75 customers will be selected from plan administrators, plan sponsors, and consultants representing the 57,000 defined benefit pension plans subject to the PBGC premium requirement. The PBGC estimates that the total burden hours for each respondent will be 3 hours, consisting of a focus group meeting lasting 2 hours and round-trip transportation time of 1 hour, for a total of 225 burden hours (75 respondents at an estimated 3 hours each).

Issued at Washington, DC, this 1st day of June, 1995.

Martin Slate,

Executive Director, Pension Benefit Guaranty Corporation.
