

[Docket No. RP95-322-000]

El Paso Natural Gas Co.; Notice of Tariff Filing

June 2, 1995.

Take notice that on May 31, 1995, El Paso Natural Gas Company (El Paso) tendered for filing pursuant to Part 154 of the Federal Energy Regulatory Commission's Regulations Under the Natural Gas Act Second Revised Sheet No. 254 to its Second Revised Volume No. 1-A Tariff.

El Paso states that the tendered tariff sheet proposes to revise certain tariff provisions applicable to its Gas Research Institute (GRI) Funding Mechanism to provide that when a Releasing Shipper releases capacity at less than the maximum reservation charge(s) and reservation surcharge(s), pursuant to the provisions of Section 28.4 of El Paso's Second Revised Volume No. 1-A Tariff, the GRI reservation surcharge(s) will be the first rate increment discounted. El Paso further states that it will not assess the GRI reservation surcharge(s) on any capacity that is released and acquired at a discount greater than the GRI reservation surcharge(s).

El Paso respectfully requested that the Commission accept the tendered tariff sheet for filing and permit it to become effective on July 1, 1995. El Paso states that it is requesting this effective date to coincide with its monthly accounting and billing cycle.

El Paso states that copies of the filing were served upon all of El Paso's interstate pipeline system transportation customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before June 9, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

El Paso Natural Gas Co.; Notice of Tariff Filing

June 2, 1995.

Take notice that on May 31, 1995, El Paso Natural Gas Company (El Paso), tendered for filing pursuant to Part 154 of the Federal Energy Regulatory Commission's Regulations Under the Natural Gas Act and Section 31 of the General Terms and Conditions of its Volume No. 1-A Tariff, certain tariff sheets.

El Paso states that Section 31.4(b) of its tariff provides the mechanism by which El Paso adjusts the interest calculated on the unrecovered balance of its stranded investment cost in the Washington Ranch Storage Facility and then adjusts the Monthly Amortized Amount allocated to each Shipper. The tariff further provides that El Paso will adjust its rates for any differences resulting from the use of the estimated interest versus the actual interest and such difference shall be added to or deducted from the estimated interest for the upcoming six (6) month period.

El Paso states that the Monthly Amortized Amount has been adjusted to reflect the projected interest and the difference in the previously estimated interest and actual interest utilizing the appropriate interest rate calculated pursuant to Section 154.67(c)(2)(iii) of the Commission's Regulations. El Paso states that the projected interest was calculated on the remaining unrecovered balance of the stranded investment costs. El Paso states that the revised Washington Ranch Reservation Surcharges and resulting Monthly Billed Amounts are shown on the tendered tariff sheets.

El Paso respectfully requests that the Commission accept the tendered tariff sheets for filing and permit them to become effective on July 1, 1995, which is not less than thirty (30) days after the date of the filing.

El Paso states that copies of the filing were served upon all of El Paso's affected interstate pipeline system transportation customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before June 9, 1995. Protests will be considered by the Commission in determining the appropriate action to

be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. RP95-325-000]

El Paso Natural Gas Co.; Notice of Request for Approval of Procedures

June 2, 1995.

Take notice that on May 31, 1995, El Paso Natural Gas Company (El Paso) submitted a Notice of Procedures for Implementation of Gas Research Institute (GRI) crediting of 1994 GRI over-collections as a result of the Federal Energy Regulatory Commission's May 3, 1995, order issued at Docket No. RP95-124-001. El Paso requested that the Commission approve this methodology so that El Paso can coordinate with GRI to facilitate Releasing and Acquiring Shippers receiving any applicable GRI collections which were assessed to such shippers for capacity released at less than the maximum reservation charge(s) and reservation surcharge(s).

El Paso states that once the Commission approves this methodology, El Paso will provide GRI with the necessary amounts in order to facilities GRI's return to El Paso of all GRI collections which were assessed to Releasing and Acquiring Shippers for capacity released at less than the maximum rate, i.e., the discount exceeded the GRI surcharge rate. El Paso states that it thereafter will immediately flow-through these funds to all affected shippers.

El Paso states that based on this methodology, GRI will refund and El Paso will flow-through 1994 over-collections of \$1,848,012.51 to all affected shippers: \$1,361,521.39 to Releasing Shippers and \$486,491.12 to Acquiring Shippers.

El Paso states that assuming the Commission approves El Paso's proposed July 1, 1995, effective date for its concurrent tariff filing, El Paso will cease GRI collections on the capacity release transactions where the discount is greater than the GRI surcharge beginning with July, 1995 business and calculate and flow-through 1995 over-collections through June 30, 1995 utilizing identical procedures as it used for the 1994 over-collections.

El Paso states that copies of the filing were served upon all affected transportation customers of El Paso and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be

filed on or before June 9, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
