

[Docket No. RP95-322-000]

El Paso Natural Gas Co.; Notice of Tariff Filing

June 2, 1995.

Take notice that on May 31, 1995, El Paso Natural Gas Company (El Paso) tendered for filing pursuant to Part 154 of the Federal Energy Regulatory Commission's Regulations Under the Natural Gas Act Second Revised Sheet No. 254 to its Second Revised Volume No. 1-A Tariff.

El Paso states that the tendered tariff sheet proposes to revise certain tariff provisions applicable to its Gas Research Institute (GRI) Funding Mechanism to provide that when a Releasing Shipper releases capacity at less than the maximum reservation charge(s) and reservation surcharge(s), pursuant to the provisions of Section 28.4 of El Paso's Second Revised Volume No. 1-A Tariff, the GRI reservation surcharge(s) will be the first rate increment discounted. El Paso further states that it will not assess the GRI reservation surcharge(s) on any capacity that is released and acquired at a discount greater than the GRI reservation surcharge(s).

El Paso respectfully requested that the Commission accept the tendered tariff sheet for filing and permit it to become effective on July 1, 1995. El Paso states that it is requesting this effective date to coincide with its monthly accounting and billing cycle.

El Paso states that copies of the filing were served upon all of El Paso's interstate pipeline system transportation customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before June 9, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Linwood A. Watson, Jr.,
Acting Secretary.

El Paso Natural Gas Co.; Notice of Tariff Filing

June 2, 1995.

Take notice that on May 31, 1995, El Paso Natural Gas Company (El Paso), tendered for filing pursuant to Part 154 of the Federal Energy Regulatory Commission's Regulations Under the Natural Gas Act and Section 31 of the General Terms and Conditions of its Volume No. 1-A Tariff, certain tariff sheets.

El Paso states that Section 31.4(b) of its tariff provides the mechanism by which El Paso adjusts the interest calculated on the unrecovered balance of its stranded investment cost in the Washington Ranch Storage Facility and then adjusts the Monthly Amortized Amount allocated to each Shipper. The tariff further provides that El Paso will adjust its rates for any differences resulting from the use of the estimated interest versus the actual interest and such difference shall be added to or deducted from the estimated interest for the upcoming six (6) month period.

El Paso states that the Monthly Amortized Amount has been adjusted to reflect the projected interest and the difference in the previously estimated interest and actual interest utilizing the appropriate interest rate calculated pursuant to Section 154.67(c)(2)(iii) of the Commission's Regulations. El Paso states that the projected interest was calculated on the remaining unrecovered balance of the stranded investment costs. El Paso states that the revised Washington Ranch Reservation Surcharges and resulting Monthly Billed Amounts are shown on the tendered tariff sheets.

El Paso respectfully requests that the Commission accept the tendered tariff sheets for filing and permit them to become effective on July 1, 1995, which is not less than thirty (30) days after the date of the filing.

El Paso states that copies of the filing were served upon all of El Paso's affected interstate pipeline system transportation customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before June 9, 1995. Protests will be considered by the Commission in determining the appropriate action to

be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
