Department of the Army

Distribution of Weekly Army Officer Assignment List and Monthly Army Enlisted Assignment List

AGENCY: U.S. Total Army Personnel Command, DOD.

ACTION: Notice.

SUMMARY: The Department of the Army, U.S. Total Army Personnel Command, has executed an inter-agency agreement with the Department of Commerce, National Technical Information Service, which authorizes the National Technical Information Service to distribute and make publicly available the Weekly Officer Assignment List and the Monthly Enlisted Assignment List.
EFFECTIVE DATE: June 30, 1995.

FOR FURTHER INFORMATION CONTACT: Robert Dickerson, Freedom of Information and Privacy Act Officer, U.S. Total Army Personnel Command, Attention: TAPC-ALP-A, 200 Stovall Street, Alexandria, Virginia 22332-0405, (703) 325-4053.

SUPPLEMENTARY INFORMATION: As a result of a court settlement, the Army is required to create these lists to respond to Freedom of Information Act Requests. These lists are requested by Realtors under the Freedom of Information Act and are primarily used to solicit Army

personnel who will be changing duty locations. Realtors offer assistance in selling current homes and offer services in renting or buying homes at an individual's future duty location. The lists contain name, rank, current duty address, date of orders, report date, and future duty location.

Current reductions in manpower have forced the Army to look at alternative methods of distribution. The number of requesters increase each month. Each requester is required to submit a separate request for each week desired. Currently, the U.S. Total Army Personnel Command receives approximately 180 Freedom of Information Act requests for these lists each month.

Since the information is releasable to the public, it is not necessary to continue to process these requests under the administrative requirements of the Freedom of Information Act. The National Technical Information Service was created to distribute releasable information to the public and has chosen to offer the lists as a fax subscriber service. This will eliminate the requirement for requesters to submit weekly Freedom of Information Act requests and will ensure that the information is received by requesters at the earliest possible date. Since the National Technical Information Service can more efficiently distribute the lists without the administrative requirements imposed by the Freedom of Information Act, the agreement will benefit the requesters and the Army.

Dated: May 31, 1995.

Robert Dickerson,

Freedom of Information and Privacy Act Officer.
