Intent To Prepare a Draft Environmental Impact Statement for the Tucson Drainage Area Flood Control Feasibility Study, Pima County, AZ

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent.

SUMMARY: The Los Angeles District will prepare a Draft Environmental Impact Statement (EIS) for the Tucson Drainage Area Flood Control Feasibility Study, Pima County, Arizona. This study is in response to flooding problems associated with the Tucson Arroyo/Arroyo Chico watershed within the City of Tucson. The problems result from an existing flood control system that is inadequate because of increasing urbanization that has changed the runoff conditions. The feasibility study will recommend a flood control plan for implementation to solve the current flooding problem.

FOR FURTHER INFORMATION CONTACT: Questions about the proposed action and Draft EIS can be answered by: Mr. Elden Gatwood, Study Manager, (213) 894-4341, or Mr. William Butler, Environmental Manager, (213) 894-0245, P.O. Box 2711, Los Angeles, California 90053-22325.

SUPPLEMENTARY INFORMATION:

A. Authority

This study is conducted under the authority given in Section 6 of the Flood Control Act of 1938, dated 28 June 1938, and in accordance with provisions of the Water Resources Development Act of 1986 (WRDA '86; Public Law 99-662).

B. Proposed Action/Alternatives

The proposed action for the Tucson Drainage Area Study will investigate and evaluate the establishment of one of several detention basin plans along the Tucson Arroyo/Arroyo Chico watershed in Tucson.

Detention Plan I will evaluate the establishment of detention basins in three areas identified as potential basin sites: Randolph Golf Course, Reid Park and Upstream of Park Avenue.

Detention Plan II will evaluate the establishment of detention facilities at Randolph Golf Course and Upstream of Park Avenue.

C. Scoping

An extensive mailing list has been developed which includes Federal, State, and local agencies and other interested public and private organizations and parties. Individuals on the mailing list will be sent a copy of each notice announcing a public scoping meeting. A public scoping meeting has been tentatively scheduled for sometime in June 1995. When available, the specific date, time, and location of this meeting will be announced in a mailing to those on the mailing list and announcements through

local media channels. Additional public meetings will be scheduled during the review period for the draft EIS. Formal coordination with the appropriate Federal, State, and local agencies has begun.

D. Potentially Significant Issues

Potentially significant issues identified include impacts to land and water use, biological resources including riparian resources, and recreational resources.

E. Availability of the Draft EIS

The draft EIS is expected to be available to the public for review and comment beginning in February 1996.

Department of the Army

Distribution of Weekly Army Officer Assignment List and Monthly Army Enlisted Assignment List

AGENCY: U.S. Total Army Personnel Command, DOD.

ACTION: Notice.

SUMMARY: The Department of the Army, U.S. Total Army Personnel Command, has executed an inter-agency agreement with the Department of Commerce, National Technical Information Service, which authorizes the National Technical Information Service to distribute and make publicly available the Weekly Officer Assignment List and the Monthly Enlisted Assignment List.
EFFECTIVE DATE: June 30, 1995.

FOR FURTHER INFORMATION CONTACT: Robert Dickerson, Freedom of Information and Privacy Act Officer, U.S. Total Army Personnel Command, Attention: TAPC-ALP-A, 200 Stovall Street, Alexandria, Virginia 22332-0405, (703) 325-4053.

SUPPLEMENTARY INFORMATION: As a result of a court settlement, the Army is required to create these lists to respond to Freedom of Information Act Requests. These lists are requested by Realtors under the Freedom of Information Act and are primarily used to solicit Army

personnel who will be changing duty locations. Realtors offer assistance in selling current homes and offer services in renting or buying homes at an individual's future duty location. The lists contain name, rank, current duty address, date of orders, report date, and future duty location.

Current reductions in manpower have forced the Army to look at alternative methods of distribution. The number of requesters increase each month. Each requester is required to submit a separate request for each week desired. Currently, the U.S. Total Army Personnel Command receives approximately 180 Freedom of Information Act requests for these lists each month.

Since the information is releasable to the public, it is not necessary to continue to process these requests under the administrative requirements of the Freedom of Information Act. The National Technical Information Service was created to distribute releasable information to the public and has chosen to offer the lists as a fax subscriber service. This will eliminate the requirement for requesters to submit weekly Freedom of Information Act requests and will ensure that the information is received by requesters at the earliest possible date. Since the National Technical Information Service can more efficiently distribute the lists without the administrative requirements imposed by the Freedom of Information Act, the agreement will benefit the requesters and the Army.

Dated: May 31, 1995.

Robert Dickerson,

Freedom of Information and Privacy Act Officer.
