Realty Action; Direct Sale of Public Lands; Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action—Direct Sale of Public Lands in Lane County, Oregon.

SUMMARY: The following land is suitable for direct sale under Sections 203 and 209 of the Federal Land Policy and Management Act of 1976, (43 U.S.C. 1713 and 1719), at no less than the appraised fair market value. The land will not be offered for sale until at least 60 days after publication of this notice:

Willamette Meridian, Oregon

T. 17 S., R. 1 W.
 Sec. 3: Lot 6
 Containing 0.37 acre.

The above described land is hereby segregated from appropriation under the public land laws, including the mining laws, but not from sale under the above cited statute, for 270 days from the date of publication of this notice in the **Federal Register** or until title transfer is completed or the segregation is terminated by publication in the **Federal Register**, whichever occurs first.

This land is difficult and uneconomic to manage as part of the public lands and is not suitable for management by another Federal agency. No significant resource values will be affected by this disposal. The sale is consistent with BLM's planning for the land involved and the public interest will be served by the sale.

Purchasers must be U.S. citizens, 18 years of age or older, a state or state instrumentality authorized to hold property, or a corporation authorized to own real estate in the state in which the land is located.

The land is being offered to Eugene and Valentine Cooper using the direct sale procedures authorized under 43 CFR 2711.3-3. Direct sale is appropriate since the land has been inadvertently occupied by a portion of the Cooper's house, car port, shop and yard for several years and direct sale will resolve the unauthorized use while preserving the occupants' equity in the property.

The terms, conditions, and reservations applicable to the sale are as follows:
