

evidenced by non-negotiable notes (documented by book entry only) and/or the purchase of up to 10,000 shares of Pipeline's common stock, \$100 par value. The open account advances and long-term loans will bear interest at rates equal to the cost of money to Producing through its borrowing from CNG.

The Subsidiaries also propose to increase their authorized common stock as needed to accommodate proposed stock sales and to provide for future issues, any such increase being limited to a number of shares calculated by dividing the aggregate financing proposed for such Subsidiary herein by the par value (book value in the case of VNG) of such Subsidiary's common stock rounded up to the nearest hundred. The proposed increase in the authorized number of shares for each Subsidiary would not exceed the following amounts: (1) Transmissions, 10,000; (2) East Ohio, 5.3 million; (3) Peoples, 1 million; (4) VNG, 2,503; (5) Hope Gas, 150,000; (6) Energy Services, 300 million; (7) Storage, 100,000; (8) West Ohio, 2,500; (9) Service, 150,000; (10) Producing, 30,000; (11) Coal, 300; and (12) Research, 100.

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Voice Powered Technology International, Inc., Common Stock, \$0.001 Par Value, Redeemable Warrants Expiring on October 19, 1997)

June 5, 1995.

Voice Powered Technology International, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Boston Stock Exchange, Inc. ("BSE" or "Exchange").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, the reason for the withdrawal is the fact that since

October 1992, when the Securities were listed on the Exchange and began trading through the NASDAQ/Small Cap system there has been essentially no trading of the Securities on the Exchange. On the other hand, there has consistently been active trading of the Securities through NASDAQ/Small Cap system (i.e., daily trading volume frequently in the 100,000 or greater range). There are presently thirty (30) market makers for the Securities on NASDAQ. There have been at least approximately twenty-five (25) market makers for the Securities on NASDAQ at any point in time over the past twelve (12) months.

Any interested person may, on or before June 23, 1995 submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
