The Commission has found that the public convenience and necessity permit: (1) In Docket No. AB-425, Lone Star Railroad, Inc. (Lone Star) to abandon a portion of its line of railroad between milepost 142.8 near Lanius, TX, and milepost 8.0 near Howard, TX, and to discontinue trackage rights over Burlington Northern Railroad Company (BN) between milepost 8.0 near Howard and milepost 0.0 at Valley Junction, TX, and from Valley Junction east for 331 feet to the switching point in Sunshine Yard, Wichita Falls, TX, a total distance of 142.86 miles in Wichita, Archer, Baylor, Knox, Haskell and Jones Counties, TX; and (2) in Docket No. AB-426, Southern Switching Company (Southern) to discontinue service that it performs over the 142.86-mile rail line pursuant to an operating agreement with Lone Star. Requests for public use conditions must be filed with the Commission and

applicants within 10 days after publication.

PART I. GENERAL

Purpose Of This Form. This form is used by law enforcement agencies (LEA's) to bring alien witnesses and informants to the United States in a "S" nonimmigrant classification. This form provides the Department of State (DOS) and the Immigration and Naturalization Service (INS) with information necessary to identify the requesting LEA, the alien witness and/or informant, and others e.g., the United States Attorney, needing the information or testimony of that alien. It assists DOS and INS in the exercise of their joint responsibility to adjudicate requests by LEA's for S classification.

General Instructions. Please read the instructions carefully. A separate form must be used for each witness/informant requested. Please answer all questions by typing or clearly printing in ink. Failure to answer all questions will delay the processing of this application and may result in its denial. Indicate a non-applicable question with "N/A." If the answer is "none", please so state. Submit both copies of the form. If you, as the requesting agent, need extra space to answer any item, attach a sheet of paper with your name on it, as well as the name of the alien, the LEA requestor and the control agent. You should make copies of this completed form for your records. Please provide exact information about the request you are making (e.g., for S classification waivers of grounds of inadmissibility or adjustment of status) and complete and attach all necessary certifications and documentation.

PART II. WHO IS TO USE THIS FORM

This form may be used only by a Federal or State LEA and only to request that an alien witness or informant be allowed to: (1) proceed into the United States pursuant to the S nonimmigrant classification; (2) change nonimmigrant classification to an S classification, or; (3) adjust to lawful permanent resident status from the S nonimmigrant classification. For the witness/informant, the LEA must specifically request:

S-5 or S-6 nonimmigrant classification. The S classification may be requested when an alien witness or informant intends to remain permanently in the United States. An S-5 classification may be requested for an alien who possesses and is willing to provide to the requesting

LEA critical, reliable information on a criminal organization and who otherwise qualifies under section 101(a)(15)(S) of the Immigration and Nationality (Act) and 8 CFR 214.2(t). An S-6 classification may be requested for an alien who possesses and is willing to provide information on a terrorist organization, who will be or is placed in danger as a result, is eligible for an award under section 36(a) of the State Department Basic Authorities Act of 1956, 22 U.S.C. 2708(a), and who otherwise qualifies under section 101(a)(15)(S) of the Act and 8 CFR 214.2(t).

Please note: A Federal or State LEA may request S-5 nonimmigrant classification for an alien witness or informant. However, only a Federal LEA or Federal court may request S-6 classification for an alien witness or informant.

The LEA May Also Make A Request For Derivative Beneficiaries (Part A 6). Qualifying relatives (spouse, married and unmarried sons and daughters, and parents) of the principal alien witness and informant may be included in a request for the S nonimmigrant classification. All required information for such derivative beneficiaries of this request must be included at the time of filing the request for nonimmigrant classification. Only qualifying relatives identified at the time of filing will be considered as accompanying or following to join. Proof of family relationship, biographical data, and grounds of excludability must be attached for each named qualifying relative.

For Change of Status To The S Classification. An LEA may request the Service to change the classification of an alien already in the United States from another valid nonimmigrant classification to S-5 or S-6 classification (8 CFR 214.2(t)(12)) by filing this form and Form I-539, Application to Extend/Change Nonimmigrant Status, together with the relevant documentation and requisite fees, pursuant to the instructions for filing requests for an S classification, below.

For Requests To Allow An S Nonimmigrant To File For Adjustment Of Status To That Of Lawful Permanent Resident (8 CFR 245.11). A request to allow a nonimmigrant in an S classification to file for adjustment of status must be filed by the LEA that originally requested the S classification and may not be filed until the alien has fulfilled the terms and conditions of his or her S classification. Please attach to the request on Part F of this form all relevant documentation establishing that the alien has fulfilled the terms and conditions of his or her S classification and related recommendations. Only the derivative beneficiaries named on the request for S classification are eligible to adjust pursuant to 8 CFR 245.11.

Please carefully complete all relevant parts of this form.

PART III. REQUIRED DOCUMENTATION

For The S Classification. Requests for the S classification (8 CFR 214.2(t)) are premised on the alien witness and informant's willingness to provide critical, reliable information. You must provide clear, **VERY SPECIFIC** statements of the following:

- The operations that form the basis of the request. For example, if you need the alien to appear as a witness, please give the date and place of the trial and the nature of the testimony you expect to receive.
- The objective of the request, that is, why the admission of this alien is necessary, essential, and in the national interest. The terms and conditions pursuant to which an S classification is requested must be stated very clearly on, or attached to, this form.
- The nature of the alien's cooperation with the government, any bargains you have made with the alien, and any benefits promised in return. **NOTE THAT NO PROMISES FOR IMMIGRATION BENEFITS MAY BE MADE TO AN ALIEN SEEKING S CLASSIFICATION.**

For Ground(s) Of Excludability:

Part A. All grounds of excludability (i.e., the reasons the alien may not be admissible to the United States) must be ascertained and a statement of each ground, or suspected ground, must be attached to this form. Please review the grounds of excludability carefully with the alien and remind the alien that a failure to disclose all grounds of excludability (conduct or conditions) on this form may result in exclusion or deportation from the United States. Then for each ground checked in Part A 7, you must provide a statement of all reasons why you believe discretionary waiver authority should be exercised favorably for this alien so that the alien may be admitted in the S classification.

Be as specific as possible and attach affidavits, statements, memorandum, or other documentation as necessary to explain all the possible grounds of inadmissibility and surrounding circumstances. Specific reasons for exercising discretionary waiver authority should be presented whenever possible, e.g., if the alien has a history of drug abuse, you may present evidence of rehabilitation such as the affidavits of doctors, psychiatrists, or other experts.

Documentation. The evidence submitted with this request to verify the basis of the request, i.e., for a waiver, classification, or adjustment of status, may be in the form of affidavits, statements, memoranda, or similar documentation.

You must also submit for each alien named in this request:

- Two-sets of fingerprints and signatures on Form FD-258;

- Two-color-photos with a white background taken no earlier than 30 days before submission to the INS. They should be unmounted; printed on thin paper and show a three-quarter front profile of the right side of the face, with the right ear visible. The head should be bare unless the alien is wearing a headdress as required by a religious order. Lightly print the alien's name and A#, if known, on the back of each photo with a pencil; the name of the LEA may also be used.
- The alien's A#, FBI #, Social Security #, if known, and biographical information (Form G-325).

PART IV. REQUIRED CERTIFICATIONS

Alien Certification. The certifications made by the alien and made by you, the LEA requestor, provide a critical record for the future. After you have carefully explained the certifications at Part B and reviewed all statements on or attached to the form for accuracy, read the certification to the alien and be sure that the alien understands each condition of admission and continued stay in lawful status. If the certification is translated to ensure the alien's understanding, please so indicate. Make sure the alien understands that adjustment of status is not available to the alien unless and until he or she has satisfied the conditions of admission and continued stay in lawful status in the S classification.

LEA Certifications. Your signature as a witness to the alien's certification certifies your assurance of the alien's understanding of his or her certification. LEA headquarters level certification is required to ensure that no promises have been made other than those afforded by section 101(a)(15)(S) of the Act and that full assumption of the responsibilities outlined in the request has been authorized. The name of the LEA agency contact on the case who is available by phone for questions and verification of information is also necessary.

United States Attorney Certification. The United States Attorney's certification is necessary if the alien witness or informant will be participating in a prosecution or investigation that falls within the jurisdictional authority of a United States Attorney or if this form is to be submitted by a State LEA. The United States Attorney may and sometimes does refer to the Criminal Division or another federal entity. In such a case, the referred entity must provide the required certification and documentation of the referral by the United States Attorney.

PART V. FEE FOR REQUESTS FOR THE S NONIMMIGRANT CLASSIFICATION

The fee for this form is \$150. (This fee will not go into effect until the Service publishes a final regulation in the Federal Register adding a fee for Form I-854) It is not refundable. Pay in the exact amount. Make check or money order payable to "Immigration and Naturalization Service." There will be an additional charge if your check is not honored. Please do not send cash in the mail.

PART VI. WHERE TO FILE

Requests for an S nonimmigrant classification or for an S nonimmigrant to file for adjustment of status, should be sent to:

DOJ-OEO
P.O. BOX 7600
Washington, DC 20044-7600

Please note: The Criminal Division will forward certified requests to the INS Commissioner, for adjudication of the request for S classification. No request for S classification may proceed to the INS without the certification of the Criminal Division.

PART VII. OTHER INFORMATION

Employment Authorization: Witnesses and informants who have received S nonimmigrant classification are entitled to receive an Employment Authorization Document (EAD), enabling them to seek employment in the United States. Aliens so entitled may request an EAD by filing Form I-765 according to the instructions on that form. Form I-765 may not accompany this form and must be filed separately.

Authority For The Collection Of The Information. The authority to require you to file Form I-854, Inter-Agency Alien Witness and Informant Record, when requesting authorization to bring a witness or informant into the United States, is found at section 101(a)(15)(S) of the Act and the Congressional concerns behind that provision. Information you provide on Form I-854 is used to determine eligibility for the requested classification/authorization, to record the numbers of requests and determinations made on this form, to track and monitor the alien, and to provide Congress with a required annual report on the admission of alien witnesses and informants. Failure to provide all information as required may result in the denial or rejection of this application. The information you provide may also be disclosed to other Federal, State, local and foreign law enforcement, intelligence and regulatory agencies.

Penalties For Perjury. All statements made in response to questions in this application are declared to be true and correct under penalty of perjury. 18 U.S.C. 1546, provides in part:

Whoever knowingly makes under oath, or as permitted under penalty of perjury under 28 U.S.C. 1746, knowingly subscribes as true, any false statement with respect to a material fact in any application, affidavit, or other document required by the immigration laws or regulations prescribed thereunder, or knowingly presents any such application, affidavit, or other document containing any such false statement - shall be fined in accordance with this title or imprisoned not more than five years, or both.

The knowing placement of false information on this application may subject you and/or the preparer of this application to criminal penalties under Title 18 of the United States Code. The knowing placement of false information on this application may also subject you and/or the preparer to civil penalties under Section 274C of the Act, 8 U.S.C. 1324c. Under 8 U.S.C. 1324c, a person subject to a final order for civil document fraud is deportable from the United States and may be subject to fines.

Paperwork Reduction Act Notice.

We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex. Accordingly, the reporting burden for this collection of information is computed as follows: (1) learning about the law and form, 60 minutes; (2) completing the form, 75 minutes; and (3) assembling and filing the application 120 minutes, for an estimated average of 4 hours and 15 minutes per response. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to both the Immigration and Naturalization Service, 425 I Street, N.W., Room 5307, Washington, D.C. 20536; and the Office of Management and Budget, Paperwork Reduction Project, OMB No. 1115-xxxx, Washington, D.C. 20503
