[Docket Nos. RP92-137-038 and RP93-136-006]

Transcontinental Gas Pipe Line Corporation; Notice of Filing

June 6, 1995.

Take notice that on June 1, 1995 Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing certain revised tariff sheets to its FERC Gas Tariff Third Revised Volume No. 1 enumerated in Appendix A attached to the filing. The tariff sheets are proposed to be effective July 1, 1995.

Transco states that the instant filing is a result of an October 20, 1994, Presiding Administrative Law Judge (ALJ) "Initial Decision Granting Motion for Summary Disposition Concerning Merchant Allocation Question" requiring Transco to remove from its gathering function \$5,556,863 of labor-related A&G costs and \$74,240 of general plant and related costs, and to reassign these costs to its merchant service. On February 28, 1995 the Commission affirmed the ALJ's decision, and on May 24, 1995 denied Transco's request for rehearing. Accordingly, Transco is submitting tariff sheets reflecting the decreased charges for the Tilden Processing Plant and all other gathering facilities, and the increased Non-Gas Demand Fee under its sales service Rate Schedules FS and OFS.

TGPL states that copies of the instant filing has been served to interested parties to Docket No. RP92-137.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before June 13, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are

available for public inspection in the Public Reference Room.

In compliance with Order No. 577, WIC is proposing to revise the capacity release provisions in its tariff to state that:

A Releasing Shipper that has made a pre-arranged release exempt from posting and bidding cannot re-release the same capacity to the same Replacement Shipper in a pre-arranged release exempt from posting and bidding at less than the maximum rate until 28 days after the first release has terminated.
