Societe Generale; Notice to Engage in Nonbanking Activities; Correction

This notice corrects a notice (FR Doc. 95-13212) published on page 28,412 of the issue for Wednesday, May 31, 1995. The entry for Societe Generale, Paris, France (Notificant), is revised to include engaging in certain foreign exchange-related activities through FIMAT Futures USA, Inc., Chicago, Illinois (Company). In 1994, Company received authority to act as agent in executing and provide investment advice in connection with certain foreign exchange transactions. *See Societe Generale*, 80 Federal Reserve Bulletin 646 (1994). In approving that application the Board relied, in part, on Notificant's commitments that Company would not:

(1) engage in any foreign exchange activities for its own account,

(2) charge its advisory customers a separate fee for executing transactions in foreign exchange, or

(3) provide foreign exchange services to customers other than sophisticated institutional customers.

In connection with its proposal that Company act as riskless principal in connection with certain foreign exchange transactions, Notificant proposes that Company be permitted to purchase foreign exchange for its own account to hedge financial statement translations of income for its French parent, Fimat International Bank, or as may be necessary for the payment of invoices denominated in foreign currencies. Notificant also proposes that Company be permitted to charge its advisory customers an execution fee (but not an advisory fee) for transactions in which Company acts as riskless principal, and to execute foreign currency transactions for noninstitutional commercial hedger customers to whom Company would provide futures commission merchant services. Notificant has stated that Company would not provide foreign exchange-related advisory services to noninstitutional commercial hedger customers and would observe the standards of care and conduct applicable to a fiduciary with respect to its foreign exchange advisory activities.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, DC 20551, not later than July 7, 1995. Any request for a hearing on this application must, as required by § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)), be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

This application may be inspected at the offices of the Board of Governors or the Federal Reserve Bank of New York.

Board of Governors of the Federal Reserve System, June 7, 1995.

Jennifer J. Johnson,

Deputy Secretary of the Board.
