Bennett-Cottonwood Oil and Gas Development EIS; Custer National Forest, McKenzie County, ND

AGENCY: Forest Service, USDA.

ACTION: Notice; withdrawal of intent to prepare an environmental impact statement.

SUMMARY: A Notice of Intent was published in the **Federal Register** [60 FR 1765] on Thursday, January 5, 1995, indicating that an environmental impact statement (EIS) would be prepared on the proposal to develop thirteen additional oil wells in the Bennett-Cottonwood area by Meridian Oil, Inc. and Apache Corporation. That Notice of Intent is hereby withdrawn.

The development of the thirteen proposed wells was contingent upon the successful production of oil from approved wells approved and drilled since 1993. In March 1995, Meridian Oil, Inc. and Apache Corporation withdrew their proposals because of four unsuccessful wells drilled in the area the last two years and for other corporate reasons.

Originally the draft environmental impact statement was scheduled to be released to the public on May 1, 1995 with the final statement to be filed by July 1, 1995. A letter was mailed on March 24, 1995 to all who commented during the scoping period, as well as all other individuals or groups on the project scoping mailing list, notifying them of the withdrawal of this project.
