

National Environmental Policy Act will be conducted in conjunction with the marine event permitting process each year.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

#### Final Regulation

For reasons set out in the preamble, the Coast Guard amends 33 CFR Part 165 as follows:

#### PART 165—[AMENDED]

1. The authority citation for Part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5; 49 CFR 1.46.

2. Section 165.166, is added to read as follows:

**§ 165.166 Safety Zone; Annual Burlington Independence Day Celebration Fireworks Display, Burlington Bay, Vermont.**

(a) *Location.* All waters of Burlington Bay within a 250 yard radius of a fireworks platform anchored approximately 250 yards west of Burlington, Vermont, at or near 44°28'33"N latitude and 073°13'33"W longitude (NAD 1983).

(b) *Effective period.* The safety zone is in effect annually on the third of July from 7:45 p.m. until 10:15 p.m., unless extended or terminated sooner by the Captain of the Port New York. The effective period will be announced annually via Safety Marine Information Broadcasts and locally issued notices.

(c) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. U.S. Coast Guard patrol personnel include commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard vessel via siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

Dated: June 2, 1995.

**T.H. Gilmour,**

*Captain, U.S. Coast Guard, Captain of the Port, New York.*

#### 33 CFR Part 165

[COTP St. Louis 95-006]

RIN 2115-AA97

#### Safety Zone; Meramec River, Mile 0.0 to 21.0

**AGENCY:** Coast Guard, DOT.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a safety zone on the Meramec River between mile 0.0 and 21.0. This regulation is required for the prevention of damage to property and protection of flooded areas. This regulation will restrict general navigation in the regulated area for the protection of life and property along the shore.

**EFFECTIVE DATES:** This regulation is effective on May 20, 1995 and will remain in effect until June 19, 1995 unless terminated sooner by the Captain of the Port.

**FOR FURTHER INFORMATION CONTACT:** LT Robert Siddall, Operations Officer, Captain of the Port, St. Louis, Missouri at (314) 539-3823.

#### SUPPLEMENTARY INFORMATION:

##### Drafting Information

The drafters of this regulation are LTJG A.B. Cheney, Project Officer, Maine Safety Office, St. Louis, Missouri and LT S.M. Moody, Project Attorney, Second Coast Guard District Legal Office.

##### Regulatory History

In accordance with 5 U.S.C. 553, a notice of proposed rulemaking has not been published for this rule and good cause exists for making it effective in less than 30 days from the date of publication. Following normal rulemaking procedures would have been impracticable. Specifically, recent heavy rainfall on already saturated ground in portions of the Meramec River Basin has caused portions of the Meramec River to approach and exceed flood stages, leaving insufficient time to publish a proposed rulemaking. The Coast Guard deems it to be in the public's interest to issue a rule without waiting for comment period since high water conditions present an immediate hazard.

##### Background and Purpose

The Meramec River from the mouth, mile 0.0, to mile 21.0, has seen a rapid rise in the water level and is above flood stage. This rule is required to protect property along the Meramec River, therefore, all vessels are restricted from the regulated area.

#### Regulatory Evaluation

This regulation is not major under Executive Order 12291 and not significant under Department of Transportation Regulatory Policies and Procedures (44 FR 11040; February 26, 1979), it will not have a significant economic impact on a substantial number of small entities, and it contains no collection of information requirements.

The Coast Guard expects the impact of this regulation to be so minimal that a Regulatory Evaluation is unnecessary. The imposed restrictions are anticipated to be of short duration. Captain of the Port, St. Louis, Missouri will monitor river conditions and will authorize entry into the closed area as conditions permit. Changes will be announced by Marine Safety Information Radio Broadcast on VHF Marine Band Radio, Channel 22 (157.1 MHZ). Mariners may also call the Port Operations Officer, Captain of the Port, St. Louis, Missouri at (314) 539-3823 for current information.

#### Small Entities

The Coast Guard finds that the impact on small entities, if any, is not substantial. Therefore, the Coast Guard certifies under section 605(b) to the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) that this temporary rule will not have a significant economic impact on a substantial number of small entities.

#### Collection of Information

This rule contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501).

#### Federalism Assessment

Under the principles and criteria of Executive Order 12612, this rule does not raise sufficient federalism implications to warrant the preparation of a Federalism Assessment.

#### Environmental Assessment

The Coast Guard considered the environmental impact of this rule and concluded that, under section 2.B.2.g.[5] of Commandant Instruction M16475.1B, this rule is categorically excluded from further environmental documentation as an action to protect public safety. A Categorical Exclusion Determination has been prepared and placed in the rulemaking docket.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (Water), Records and recordkeeping, Security measures, Vessels, Waterways.

**Temporary Regulation**

In consideration of the foregoing, Subpart C of Part 165 of Title 33, Code of Federal Regulations, is amended as follows:

**PART 165—[AMENDED]**

1. The authority citation for Part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 50 U.S.C. 191; 49 CFR 1.46 and 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5.

2. A temporary section 165.T02-039 is added, to read as follows:

**§ 165.T02-039 Safety Zone: Meramec River.**

(a) *Location.* The Meramec River between mile 0.0 and 21.0 is established as a safety zone.

(b) *Effective Dates.* This section is effective on May 20, 1995 and will terminate on June 19, 1995, unless terminated sooner by the Captain of the Port.

(c) *Regulations.* The general regulations under § 165.23 of this part which prohibit vessel entry within the described zone without authority of the Captain of the Port apply. The Captain of the Port, St. Louis, Missouri will authorize entry into and operations within the described zone under certain conditions and limitations as announced by Marine Safety Information Radio Broadcast on VHF Marine Band Radio, Channel 22 (157.1 MHZ).

Dated: May 20, 1995.

**S.P. Cooper,**

*Commander, U.S. Coast Guard, Captain of the Port, St. Louis, Missouri.*

**Safety Zone; Osage River, mile 0.0 to 6.0**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a safety zone on the Osage River between mile 0.0 and 6.0. This regulation is required for the prevention of damage to levees and protection of flooded areas. This regulation will restrict general navigation in the regulated area for the protection of life and property along the shore.

**EFFECTIVE DATES:** This regulation is effective on May 19, 1995 and will

remain in effect until June 18, 1995 unless terminated sooner by the Captain of the Port.

**FOR FURTHER INFORMATION CONTACT:**

LT Robert Siddall, Operations Officer, Captain of the Port, St. Louis, Missouri at (314) 539-3823.

**SUPPLEMENTARY INFORMATION:****Drafting Information**

The drafters of this regulation are LTJG A.B. Cheney, Project Officer, Marine Safety Office, St. Louis, Missouri and LT S.M. Moody, Project Attorney, Second Coast Guard District Legal Office.

**Regulatory History**

In accordance with 5 U.S.C. 553, a notice of proposed rulemaking has not been published for this rule and good cause exist for making it effective in less than 30 days from the date of publication. Following normal rulemaking procedures would have been impracticable. Specifically, recent heavy rainfall on already saturated ground in portions of the Osage River Basin has caused portions of the Osage River to approach and exceed flood stages, leaving insufficient time to publish a proposed rulemaking. The Coast Guard deems it to be in the public's interest to issue a rule without waiting for comment period since high water conditions present an immediate hazard.

**Background and Purpose**

The Osage River from the mouth, mile 0.0, to mile 6.0, has seen a rapid rise in the water level and is above flood stage. This rule is required to protect saturated levees, therefore, all vessels are restricted from the regulated area.

**Regulatory Evaluation**

This regulation is not major under Executive Order 122291 and not significant under Department of Transportation Regulatory Policies and Procedures (44 FR 11040; February 26, 1979), it will not have a significant economic impact on a substantial number of small entities, and it contains no collection of information requirements.

The Coast Guard expects the impact of this regulation to be so minimal that a Regulatory Evaluation is unnecessary. The imposed restrictions are anticipated to be of short duration. Captain of the Port, St. Louis, Missouri will monitor river conditions and will authorize entry into the closed area as conditions permit. Changes will be announced by Marine Safety Information Radio Broadcast on VHF Marine Band Radio,

Channel 22 (157.1 MHZ). Mariners may also call the Port Operations Officer, Captain of the Port, St. Louis, Missouri at (314) 539-3823 for current information.

**Small Entities**

The Coast Guard finds that the impact on small entities, if any, is not substantial. Therefore, the Coast Guard certifies under section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) that this temporary rule will not have a significant economic impact on a substantial number of small entities.

**Collection of Information**

This rule contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501).

**Federalism Assessment**

Under the principles and criteria of Executive Order 12612, this rule does not raise sufficient federalism implications to warrant the preparation of a Federalism Assessment.

**Environmental Assessment**

The Coast Guard considered the environmental impact of this rule and concluded that, under section 2.B.2.g.[5] of Commandant Instruction M16475.1B, this rule is categorically excluded from further environmental documentation as an action to protect public safety. A Categorical Exclusion Determination has been prepared and placed in the rulemaking docket.
