INTERSTATE COMMERCE COMMISSION

[Finance Docket No. 32705]

Glenwood and Southern Railroad Company—Acquisition and Operation Exemption—Arkansas Midland Railroad Company, Inc.

Glenwood and Southern Railroad Company (GSR) has filed a notice of exemption to acquire by lease (pending the exercise of its option to purchase) and to operate the northern segment of Arkansas Midland Railroad Company, Inc.'s (AMR) Norman Branch between milepost 430.0 near Gurdon and milepost 479.2 at Birds Mill, AR. GSR also seeks limited overhead trackage rights over the southern segment of AMR's line between milepost 426.3 and milepost 430.0 to interchange with the Union Pacific Railroad Company at Gurdon.¹ The portion of AMR's rail line to be leased is approximately 49.2 miles and the incidental trackage rights cover 3.7 miles, totaling 52.9 miles of rail line in Pike, Clark, and Montgomery Counties, AR.

Consummation of the transaction was scheduled to take place on or after the May 24, 1995 effective date.

¹ This is GSR's second such filing. Its first was rejected by the Commission because of the pendency of a feeder line application filed by Caddo Antoine and Little Missouri Railroad Company (CALM). In *Caddo Antoine and Little Missouri Railroad Company—Feeder Line Acquisition—Arkansas Midland Railroad Company Line Between Gurdon and Birds Mill, AR*, Finance Docket No. 32479 (ICC served Apr. 18, 1995), the Commission approved CALM's feeder line application for the acquisition of AMR's northern segment of the Norman Branch. Acquisition of the southern segment was not approved. No effort has been made to consummate the transaction. A petition by CALM seeking judicial review of the Commission's decision is pending before the United States Court of Appeals for the Eighth Circuit.

The northern segment is currently being operated by Dardanelle & Russellville Railroad Company (DRRC/CALM). By decision served May 16, 1995, DRRC/CALM, pursuant to Commission Service Order No. 1516, was granted an extension of 30 days, until June 15, 1995, to continue its operation over the line. On May 31, 1995, CALM and various shippers filed a petition seeking a further extension of the service order. That request will be handled in a separate decision.

Any comments must be filed with the Commission and served on: Fritz R. Kahn, Suite 750 West, 1100 New York Avenue, NW., Washington, DC 20005-3934.

This notice is filed under 49 CFR 1150.31. If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10505(d) may be filed at any time.² The filing of a petition to revoke will not automatically stay the transaction.

Decided: June 9, 1995.

By the Commission, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams,
Secretary.
