If the divestiture is not completed on time, the consent agreement would permit the Commission to appoint a trustee to complete the transaction. In addition, the consent agreement would require the respondent to obtain Commission approval, for a period of ten years, before acquiring any consumer water soluble fertilizer business in the United States.

6. This agreement contemplates that, if it is accepted by the Commission, and if such acceptance is not subsequently withdrawn by the Commission pursuant to the provisions of § 2.34 of the Commission's rules, the Commission may, without further notice to the proposed respondent, (1) issue its complaint corresponding in form and substance with the draft of complaint and its decision containing the following order to divest and to cease and desist in disposition of the proceeding and (2) make information public with respect thereto. B. The divestiture shall be made either—

1. No later than ten (10) days from the date this order becomes final, to Alljack, pursuant to the agreements between Scotts and Alljack, which are Confidential Appendices II and III, or
2. To an acquirer that receives the prior approval of the Commission and only in a manner that receives the prior approval of the Commission.

The purpose of the divestiture of the Peters Consumer Water Soluble Fertilizer Business is to ensure that the Peters Consumer Water Soluble Fertilizer Business continues to operate as an ongoing business in the same business in which it is engaged at the time this Agreement is accepted by the Commission and to remedy the lessening of competition resulting from the acquisition, as alleged in the Commission's complaint.

C. Pending divestiture of the Peters Consumer Water Soluble Fertilizer Business, respondent shall take such actions as are necessary to maintain the viability and marketability of the Peters Consumer Water Soluble Fertilizer Business, and to prevent the destruction, removal, wasting, deterioration, or impairment of any part of the Peters Consumer Water Soluble Fertilizer Business.

D. Unless the acquirer has its own source of supply, the divestiture shall include an agreement by Scotts (the "Supply Agreement") to supply Water Soluble Fertilizer for a period of two (2) years from the date of the divestiture required by this Paragraph II. The Water Soluble Fertilizer supplied pursuant to the Supply Agreement shall, at the option of the acquirer, be of the same chemical composition as, and of a quality equal to or greater than, the Water Soluble Fertilizer marketed by the Peters Consumer Water Soluble Fertilizer Business at the time this agreement is accepted by the Commission for comment. The Supply Agreement shall obligate Scotts to supply such Water Soluble Fertilizer at a price equal to direct cash cost of raw materials, packaging, and labor (based on expenses during the previous fiscal year), plus ten (10) percent. The Supply

Agreement shall obligate Scotts to supply annually, at a minimum, at the option of the acquirer, an amount of Water Soluble Fertilizer, in containers ready for sale or in bulk, equal to the greatest unit amount of Peters Consumer Water Soluble Fertilizer produced by or on behalf of the Peters Consumer Water Soluble Fertilizer Business during:

1. The twelve (12) months prior to the divestiture required by this Paragraph II, and

2. Each of the five (5) calendar years preceding the divestiture required by this Paragraph II.

E. The divestiture shall include a non-exclusive perpetual license, with no continuing royalty, to manufacture Peters Consumer Water Soluble Fertilizer for sale in the United States as it has been manufactured at any time during the twelve (12) months preceding the date on which this Agreement Containing Consent Order is accepted by the Commission for public comment, as well as a royalty-free license for all improvements to Peters' Water Soluble Fertilizer technology that have been made up to the time of the divestiture required by this Paragraph II. Such license shall give the acquirer the right to make any improvements to the licensed technology; provided, however, that such license need not give the acquirer rights in Scotts intellectual property that Scotts has not used in connection with Peters Consumer Water Soluble Fertilizer.

F. Respondent shall not offer Consumer Water Soluble Fertilizer (including, but not limited to, Consumer Water Soluble Fertilizer bearing the Miracle-Gro trademark) for sale using the Scotts trademark for a period of two (2) years following the divestiture required by this Paragraph II; provided, however, during that two (2) year period, Scott may continue to sell the following products using the Scotts trademark:

3. Scotts Water-Soluble Plant Food Powder, African Violet/Flowering Formula (8 ounce size).

G. At the time of the execution of a divestiture agreement between Scotts and a proposed acquirer of the Peters Consumer Water Soluble Fertilizer Business, Scotts shall provide the acquirer with a complete list of all Scotts employees who have spent the majority of their time on the development, distribution, marketing, or sale of Peters Consumer Water Soluble

Fertilizer during the twelve (12) months prior to the date on which this agreement is accepted by the Commission. Such list shall state each such individual's name, position, address, telephone number, and a description of the duties of and work performed by the individual in connection with the Peters Consumer Water Soluble Fertilizer Business.

H. Scotts shall provide the individuals identified pursuant to Paragraph II.G. of this order with financial incentives to continue in their employment positions during the period covered by the Hold Separate Agreement, hereto attached, and to accept employment with the Commission-approved acquirer, if such employment is offered, at the time of the divestiture. Such incentives shall include:

1. Continuation of all employee benefits offered by Scotts until the date of the divestiture; and

2. A bonus equal to 25 percent of the total annual compensation of any employee who agrees to employment with the Commission-approved acquirer, payable upon the beginning of such employee's employment by the Commission-approved acquirer.

I. The divestiture agreement may protect Scott's interest in the Scotts trademark on inventory acquired by the acquirer of the Peters Consumer Water Soluble Fertilizer Business and may provide for the continued use by Scotts of the Peters trademarks for agricultural and commercial products an consumer soil products.

J. Respondent shall comply with all terms of the Agreement to Hold Separate, attached to this order and made a part hereof as Appendix I. The Agreement to Hold Separate shall continue in effect until such time as respondent has made the divestiture required by this order.

III

It is further ordered that:

A. If Scotts has not divested, absolutely and in good faith and with the Commission's prior approval, the Peters Consumer Water Soluble Fertilizer Business by December 31, 1995, the Commission may appoint a trustee to divest the Peters Consumer Water Soluble Fertilizer Business. If the trustee has not divested the Peters Consumer Water Soluble Fertilizer Business within six (6) months after the trustee's appointment, then the trustee may divest either the Peters Consumer Water Soluble Fertilizer Business or the Peters Business. In the event the Commission or the Attorney General brings an action pursuant to section 5(I)

of the Federal Trade Commission Act, 15 U.S.C. 45(I), or any other statute enforced by the Commission, Scotts shall consent to the appointment of a trustee in such action. Neither the appointment of a trustee nor a decision not to appoint a trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed trustee, pursuant to section 5(I) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by the respondent to comply with this order.

B. If a trustee is appointed by the Commission or a court pursuant to Paragraph III.A. of this order, respondent shall consent to the following terms and conditions regarding the trustee's powers, duties, authority, and responsibilities:

1. The Commission shall select the trustee, subject to the consent of respondent, which consent shall not be unreasonably withheld. The trustee shall be a person with experience and expertise in acquisitions and divestitures. If respondent has not opposed, in writing, including the reasons for opposing, the selection of any proposed trustee within ten (10) days after notice by the staff of the Commission to respondent of the identity of any proposed trustee, respondent shall be deemed to have consented to the selection of the proposed trustee.

2. Subject to the prior approval of the Commission, the trustee shall have the exclusive power and authority to divest the Peters Consumer Water Soluble Fertilizer Business or the Peters Business.

3. Within ten (10) days after appointment of the trustee, respondent shall execute a trust agreement that, subject to the prior approval of the Commission and, in the case of a court-appointed trustee, of the court, transfers to the trustee all rights and powers necessary to permit the trustee to effect the divestiture of the Peters Consumer Water Soluble Fertilizer Business or the Peters Business required by this order.

4. The trustee shall have six (6) months from the date the Commission approves the trust agreement described in Paragraph III.B.3. to accomplish the divestiture of the Peters Consumer Water Soluble Fertilizer Business, which shall be subject to the prior approval of the Commission. If no acquirer of the Peters Consumer Water Soluble Fertilizer Business is approved by the Commission by the end of the six (6) month period (or at the end of any extensions to that period pursuant to

this Paragraph III.B.4.), then the trustee shall have twelve (12) additional months to accomplish the divestiture of the Peters Consumer Water Soluble Fertilizer Business or the Peters Business, which shall be subject to the prior approval of the Commission. If, however, at the end of the twelve (12) month period, the trustee has submitted a plan of divestiture or believes that divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission, or, in the case of a court-appointed trustee, by the court; provided, however, the Commission may extend this period only two (2) times.

5. The trustee shall have full and complete access to the personnel, books, records, and facilities related to the Peters Consumer Water Soluble Fertilizer Business or the Peters Business, or to any other relevant information, as the trustee may request. Respondent shall develop such financial or other information as such trustee may request and shall cooperate with the trustee. Respondent shall take no action to interfere with or impede the trustee's accomplishment of the divestiture. Any delays in divestiture caused by the respondent shall extend the time for divestiture under this Paragraph in an amount equal to the delay, as determined by the Commission, or, in the case of a court-appointed trustee, by the court.

6. The trustee shall use his or her best efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to the respondent's absolute and unconditional obligation to divest at no minimum price. The divestiture shall be made in the manner and to the acquirer or acquirers as set out in Paragraph II of this order; provided, however, if the trustee receives bona fide offers from more than one acquiring entity, and if the Commission determines to approve more than one such acquiring entity, the trustee shall divest to the acquiring entity or entities selected by respondent from among those approved by the Commission.

7. The trustee shall serve, without bond or other security, at the cost and expense of respondent, on such reasonable and customary terms and conditions as the Commission or a court may set. The trustee shall have authority to employ, at the cost and expense of respondent, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the trustee's duties and responsibilities. The

trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission and, in the case of a court-appointed trustee, by the court, of the account of the trustee, including fees for his or her services, all remaining monies shall be paid at the direction of respondent and the trustee's power shall be terminated. The trustee's compensation shall be based at least in significant part on a commission arrangement (based on sales price) contingent on the trustee's divesting the Peters Consumer Water Soluble Fertilizer Business or the Peters Business.

8. Respondent shall indemnify the trustee and hold the trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of any claim, whether or not resulting in any liability, except to the extent that such liabilities, losses, damages, claims, or expenses result from misfeasance, gross negligence, willful or wanton acts, or bad faith by the trustee.

9. If the trustee ceases to act or fails to act diligently, a substitute trustee shall be appointed in the same manner as provided in Paragraph III.A. of this order.

10. The Commission or, in the case of a court-appointed trustee, the court, may on its own initiative or at the request of the trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture of the Peters Consumer Water Soluble Fertilizer Business or the Peters Business required by this order.

11. The trustee shall have no obligation or authority to operate or maintain the Peters Consumer Water Soluble Fertilizer Business or the Peters Business.

12. The trustee shall report in writing to respondent and the Commission every sixty (60) days concerning the trustee's efforts to accomplish the divestiture.

IV

It is further ordered that, for a period of ten (10) years from the date this order becomes final, respondent shall not without the prior approval of the Commission, directly or indirectly, through subsidiaries, partnerships, or otherwise:

A. Acquire any stock, share capital, equity, or other interest in any concern, corporate or non-corporate, engaged in

at the time of such acquisition, or within the two years preceding such acquisition engaged in the sale of Consumer Water Soluble Fertilizer in the United States; or

B. Acquire any assets used for or previously used for (and still suitable for) the sale of Consumer Water Soluble Fertilizer in the United States; provided, however, that prior approval shall not be necessary for the acquisition of assets used to manufacture Consumer Water Soluble Fertilizer, the acquisition of assets in the ordinary course of business, or the acquisition of assets valued at less than \$100,000 from the same person within any twelve (12) month period.

V

It is further ordered that within sixty (60) days after the date this order becomes final and every sixty (60) days thereafter until respondent has fully complied with the divestiture provisions of Paragraphs II and III of this order, respondent shall submit to the Commission a verified written report setting forth in detail the manner and form in which it intends to comply, is complying, and has complied with Paragraphs II and III of this order. Respondent shall include in its compliance reports, among other things that are required from time to time, a full description of the efforts being made to comply with Paragraphs II and III of the order, including a description of all substantive contacts or negotiations for the divestiture and the identity of all parties contacted. Respondent shall include in its compliance reports copies of all written communications to and from such parties, all internal memoranda, and all reports and recommendations concerning divestiture; provided, however, that respondent is not obligated to produce copies of documents subject to any legally recognized privilege.

VI

It is further ordered that one (1) year from the date this order becomes final, annually for the next nine (9) years on the anniversary of the date this order becomes final, and at such other times as the Commission may require, respondent shall file a verified written report with the Commission setting forth in detail the manner and form in which it has complied and is complying with Paragraphs II and IV of this order.

VII

It is further ordered that respondent shall notify the Commission at least thirty (30) days prior to any proposed

change in the corporate respondent such as dissolution, assignment sale resulting in the emergence of a successor corporation, or the creation or dissolution of subsidiaries or any other change in the corporation that may affect compliance obligations arising out of the order.

VIII

It is further ordered that, for the purpose of determining or securing compliance with this order, and subject to any legally recognized privilege, upon request, respondent shall permit any duly authorized representatives of the Commission:

A. Access, during office hours and in the presence of counsel, to inspect and copy all books, ledgers, accounts, correspondence, memoranda and other records and documents in the possession or under the control of respondent relating to any matters contained in this order; and

B. Upon five (5) days notice to respondent, with respondent's counsel present, and without restraint or interference, to interview officers, employees, or agents of respondent.

AGREEMENT TO HOLD SEPARATE

In the matter of The Scotts Company, a corporation.

[File No. 951-0056]

This Agreement to Hold Separate ("Hold Separate") is by and between the Scotts Company ("Scotts"), a corporation organized, existing, and doing business under and by virtue of the laws of Ohio, with its office and principal place of business at 14111 Scottslawn Road, Marysville, Ohio 43041 and the Federal Trade Commission ("the Commission"), an independent agency of the United States Government, established under the Federal Trade Commission Act of 1914, 15 U.S.C. 41, *et seq.* (collectively the "Parties").

Premises

Whereas, on January 26, 1995, Scotts entered into an Agreement and Plan of Merger with Stern's Miracle-Gro Products, Inc. ("Miracle-Gro") to acquire all of the voting securities of Miracle-Gro in exchange for voting securities of Scotts (hereinafter the "Acquisition"); *Whereas*, Scotts is a leading producer and marketer of consumer lawn care products, including consumer water soluble fertilizer under the Peters brand name;

Whereas, Miracle-Gro, with its principal office and place of business located at 800 Port Washington Blvd., Port Washington, New York 11050 is the leading marketer of water soluble fertilizer in the United States;

Whereas, the Commission is now investigating the Acquisition to determine whether it would violate any of the statutes enforced by the Commission;

Whereas, if the Commission accepts the Agreement Containing Consent Order ("Consent Order"), the Commission must

place it on the public record for a period of at least sixty (60) days and may subsequently withdraw such acceptance pursuant to the provisions of Section 2.34 of the Commission's Rules;

Whereas, the Commission is concerned that if an understanding is not reached, preserving the status quo ante of the Peters Consumer Water Soluble Fertilizer Business (as defined in Paragraph I of the Consent Order) and Miracle-Gro during the period prior to the final acceptance of the Consent Order by the Commission (after the 60-day public comment period), divestiture resulting from any proceeding challenging the legality of the Acquisition might not be possible, or might be less than an effective remedy;

Whereas, the Commission is concerned that if the Acquisition is consummated, it will be necessary to preserve the Commission's ability to require the divestiture of the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, or Miracle-Gro and the Commission's right to have the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, and Miracle-Gro continue as viable competitors;

Whereas, the Commission is concerned that the exchange of competitively sensitive information between persons operating and managing Miracle-Gro, the Peters Business, and the Peters Consumer Water Soluble Fertilizer Business may lessen the competitive viability of any divestiture if the Commission accepts the proposed Consent Order and makes it final;

Whereas, the purposes of the Hold Separate and the Consent Order are:

1. To preserve the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, and Miracle-Gro as viable, independent businesses pending the Commission's final approval of the Consent Order and the divestiture of a viable and ongoing enterprise,

2. To remedy any anticompetitive effects of the Acquisition,

3. To preserve the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, and Miracle-Gro as ongoing and competitive entities engaged in the same business in which they are presently employed until the Commission gives final approval to the Consent Order and the divestiture is achieved, and

4. To protect the competitive viability of Miracle-Gro, the Peters Business, and the Peters Consumer Water Soluble Fertilizer Business by preventing the exchange of competitively sensitive information among persons managing or operating those businesses;

Whereas, Scotts' entering into this Hold Separate shall in no way be construed as an admission by Scotts that the Acquisition is illegal;

Whereas, Scotts understands that no act or transaction contemplated by this Hold Separate shall be deemed immune or exempt from the provisions of the antitrust laws or the Federal Trade Commission Act by reason of anything contained in this Hold Separate;

Now, Therefore, the parties agree, upon the understanding that the Commission has not yet determined whether the acquisition will

be challenged, and in consideration of the Commission's agreement that it will not seek further relief from Scotts with respect to the Acquisition if the Consent Order is made final, except that the Commission may exercise any and all rights to enforce this Hold Separate, the Consent Order to which it is annexed and made a part thereof and the Order, once it becomes final, and in the event that the required divestiture is not accomplished, to appoint a trustee to seek divestiture of the Peters Consumer Water Soluble Fertilizer Business or the Peters Business pursuant to the Consent Order, as follows:

1. Scotts agrees to execute and be bound by the Consent Order.

2. To ensure the complete independence and viability of the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, and Miracle-Gro and to assure that no competitive information is exchanged between Miracle-Gro and either the Peters Consumer Water Soluble Fertilizer Business or the Peters Business, Scotts shall hold Miracle-Gro separate and apart as it is presently constituted, from the date this Hold Separate is accepted until the earlier of the completion of the divestiture obligations required by the Consent Order or three (3) days after the Commission withdraws its acceptance of the Consent Order pursuant to § 2.34 of the Commission's rules, on the following terms and conditions:

a. Except as required by law, and except to the extent that necessary information is exchanged in defending investigations or litigation, obtaining legal advice, or complying with this Hold Separate or the Consent Order, Scotts (including, but not limited to, any officer, director, employee, or agent of Scotts) shall not receive or have access to, or the use of, any material confidential information of Miracle-Gro or the activities of the board of directors of Miracle-Gro (the "Miracle-Gro Board") not in the public domain that relates to Water Soluble Fertilizer, nor shall Miracle-Gro (including, but not limited to, any officer, director, employee or agent of Miracle-Gro) receive or have access to, or the use of, any material confidential information of Scotts or the activities of the board of directors of Scotts (the "Scotts Board") not in the public domain that relates to Water Soluble Fertilizer; provided, however, after the Consent Order is made final, Scotts and Miracle-Gro may exchange information concerning Water Soluble Fertilizer sold outside the United States. Scotts may receive on a regular basis from Miracle-Gro aggregate financial and other information necessary to allow Scotts to file financial reports, tax returns, personnel reports, and reports with the Securities and Exchange Commission. Any such information that is obtained pursuant to this subparagraph shall be used only for the purpose set forth in this subparagraph. ("Material confidential information," as used herein, means competitively sensitive or proprietary information not independently known to Scotts from sources other than Miracle-Gro or the Miracle-Gro Board and includes but is not limited to customer lists, price lists, prices, marketing methods, advertising plans,

patents, technologies, processes, or other trade secrets.)

b. Except as expressly provided in this Hold Separate, all manufacturing, sales, licensing, and other business relationships relating to Water Soluble Fertilizer between Scotts and Miracle-Gro shall be conducted at arm's length and on commercial terms available to other persons. Furthermore, Scotts and Miracle-Gro may not integrate or coordinate the marketing of the products of Scotts and Miracle-Gro.

c. Scotts shall circulate a notice of this Hold Separate and Consent Order, in the form attached hereto as Attachment A, to the management employees (including, but not limited to, officers) of Scotts and Miracle-Gro (including, but not limited to, members of the board of directors of Scotts (the "Scotts Board") and members of board of directors of Miracle-Gro (the "Miracle-Gro Board"), as well as to any employees or agents of Scotts or Miracle-Gro who participate directly or indirectly in managing or operating any business affected by this Hold Separate or the Consent Order. Scotts shall also appropriately display a notice of this Hold Separate and Consent Order in the form attached hereto as Attachment A.

d. Scotts shall report in writing to the Commission every sixty (60) days concerning Scott's efforts to accomplish the purposes of this Hold Separate.

e. Scotts shall maintain the marketability, viability, and competitiveness of the Peters Consumer Water Soluble Fertilizer Business and the Peters Business, and shall not cause or permit the destruction, removal, wasting, deterioration, or impairment of any assets or business it may have to divest except in the ordinary course of business and except for ordinary wear and tear, and Scotts shall not sell, transfer, encumber (other than in the normal course of business), or otherwise impair the marketability, viability or competitiveness of the Peters Consumer Water Soluble Fertilizer Business or the Peters Business.

f. Scotts shall continue to provide to the Peters Business and the Peters Consumer Water Soluble Fertilizer Business such support services as it provided during the twelve (12) months and the calendar year prior to the acceptance of the Consent Order by the Commission. The Peters Business and the Peters Consumer Water Soluble Fertilizer Business shall be staffed with sufficient employees to maintain the viability and competitiveness of the Peters Business and the Peters Consumer Water Soluble Fertilizer Business, which employees shall be the employees of the Peters Business or Peters Consumer Water Soluble Fertilizer Business that have managed and operated the Peters Business and the Peters Consumer Water Soluble Fertilizer Business during the twelve (12) months prior to the Commission's acceptance of Consent Order by the Commission and may also be hired from sources other than the Peters Business or the Peters Consumer Water Soluble Fertilizer Business. The compensation of the management employees of the Peters Business and the Peters Consumer Water Soluble Fertilizer Business shall be based in significant part on the sales of the Peters

Business or the Peters Consumer Water Soluble Fertilizer Business, as applicable. Scotts shall facilitate the efforts of the Peters Business and the Peters Consumer Water Soluble Fertilizer Business to promote Peters products (including, but not limited to Peters Consumer Water Soluble Fertilizer products) to retailers, both at trade shows and otherwise, pending the divestiture required by the Consent Order. Scotts' obligation to facilitate those efforts shall include, without limitation, permitting the Peters Business and the Peters Consumer Water Soluble Fertilizer Business to participate either with Scotts or independently in all industry trade shows. Scotts shall provide the Peters Business and the Peters Consumer Water Soluble Fertilizer Business with any funds to accomplish the foregoing.

g. Scotts shall cause the Peters Consumer Water Soluble Fertilizer Business to expend in 1995 at an annual rate at least equal to the funds expended for 1993 or 1994 (whichever is greater) for advertising and promotion of Peters Consumer Water Soluble Fertilizer during 1995 and shall cause the Peters Consumer Water Soluble Fertilizer Business to increase such spending as reasonably necessary in light of competitive conditions. If the Peters Consumer Water Soluble Fertilizer Business is not divested by December 31, 1995, then Scotts shall thereafter cause the Peters Consumer Water Soluble Fertilizer Business to expend for advertising and promotion of Peters Consumer Water Soluble Fertilizer at an annual rate of no less than 200 percent of the amount expended for 1995 for that purpose until such time as divestiture has been accomplished.

h. The Peters Business shall be staffed with sufficient employees to maintain the viability and competitiveness of the Peters Business, which employees shall be the employees of the Peters Business that have managed and operated the Peters Business during the twelve (12) months prior to the Commission's acceptance of Agreement by the Commission and may also be hired from sources other than the Peters Business. Each Peters Business management employee shall execute a confidentiality agreement prohibiting the disclosure of any confidential information of the Peters Business.

3. Scotts agrees that it will comply with the provisions of this Paragraph 3 of this Hold Separate, in addition to the terms and conditions in Paragraph 2, from the date this Hold Separate is accepted until the earlier of the Commission's final approval of the Consent Order or three (3) days after the Commission withdraws its acceptance of the Consent Order pursuant to Section 2.34 of the Commission's Rules:

a. All earnings and profits of Miracle-Gro shall be retained separately by Miracle-Gro. Miracle-Gro shall be held separate and apart and shall be operated independently of Scotts except to the extent that Scotts must exercise direction and control over Miracle-Gro to assure compliance with this Agreement or the Consent Order. Except as expressly provided in this Hold Separate, all manufacturing, sales, licensing, and other business relationships between Scotts and Miracle-Gro shall be conducted at arm's

length and on commercial terms available to other persons.

b. Except as required by law, and except to the extent that necessary information is exchanged in defending investigations or litigation, obtaining legal advice, or complying with this Hold Separate or the Consent Order, Scotts (including, but not limited to, any officer, director, employee, or agent of Scotts) shall not receive or have access to, or the use of, any material confidential information of Miracle-Gro or the activities of the Miracle-Gro Board not in the public domain, nor shall Miracle-Gro (including, but not limited to, any officer, director, employee or agent of Miracle-Gro) receive or have access to, or the use of, any material confidential information about the Peters Consumer Water Soluble Fertilizer Business or the Peters Business not in the public domain. Scotts may receive on a regular basis from Miracle-Gro aggregate financial and other information necessary to allow Scotts to file financial reports, tax returns, personnel reports, and reports with the Securities and Exchange Commission. Any such information that is obtained pursuant to this subparagraph shall be used only for the purpose set forth in this subparagraph.

c. Scotts shall not change the composition of the Miracle-Gro Board and, except as expressly provided in this Hold Separate, Scotts shall not change the composition of the management of Miracle-Gro (except that the Miracle-Gro Board shall have the power to remove management employees for cause) and members of the Miracle-Gro Board shall not serve as officers, directors, employees, or agents of Scotts. Scotts shall not exercise direction or control over, or influence directly or indirectly, Miracle-Gro or the Miracle-Gro Board; provided, however, Scotts may exercise only such direction and control as is necessary to assure compliance with this Hold Separate, the order and with all applicable laws. Meetings of the Scotts Board and meetings of the Miracle-Gro Board shall be audio recorded and the recording retained for two (2) years after the termination of the Hold Separate. Notwithstanding, in order to maintain Miracle-Gro's value, Scotts may direct the management of Miracle-Gro with regard to the following matters: investment decisions relating to Miracle-Gro's cash, decisions relating to the handling of claims and litigation, proposed acquisitions and divestitures outside of the ordinary course of business, and changes in Miracle-Gro's corporate structure.

d. The Chairman of the Miracle-Gro Board shall have the power to remove members of the Miracle-Gro Board for cause and to require Scotts to appoint replacement members to the Miracle-Gro Board who are not officers, directors, employees, or agents of Scotts. If the Chairman of the Miracle-Gro Board ceases to act or fails to act diligently, a substitute chairman shall be appointed from among the members of the Miracle-Gro Board.

e. If necessary, Scotts shall provide Miracle-Gro with sufficient working capital to maintain the same level of sales as during the twelve (12) months preceding the date of the Hold Separate.

f. All material transactions of Miracle-Gro, out of the ordinary course of business and not precluded by this Hold Separate, shall be subject to a majority vote of the Miracle-Gro Board. The Miracle-Gro Board shall serve at the cost and expense of Scotts. Scotts shall indemnify the Miracle-Gro Board against any losses or claims of any kind that might arise out of its involvement under this Hold Separate, except to the extent that such losses or claims result from misfeasance, gross negligence, willful or wanton acts, or bad faith by the Miracle-Gro Board directors.

g. Scotts shall take all reasonable steps, consistent with the other provisions of this Hold Separate, to maintain the marketability, viability, and competitiveness of Miracle-Gro, and not to cause or permit the destruction, removal, wasting, deterioration, or impairment of any assets or business it may have to divest except in the ordinary course of business and except for ordinary wear and tear, and Scotts shall not sell, transfer, encumber (other than in the normal course of business), or otherwise impair the marketability, viability or competitiveness of Miracle-Gro.

4. Should the Federal Trade Commission seek in any proceeding to compel Scotts to divest itself of the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, Miracle-Gro, or any additional assets, or to seek any other equitable relief, Scotts shall not raise any objection based on the expiration of the applicable Hart-Scott-Rodino Antitrust Improvement Act waiting period or the fact that the Commission has permitted the Acquisition. Scotts also shall waive all rights to contest the validity of this Hold Separate.

5. For the purpose of determining or securing compliance with this Hold Separate, subject to any legally recognized privilege, and upon written request with reasonable notice to Scotts made to its General Counsel, Scotts, the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, and Miracle-Gro shall permit any duly authorized representative or representatives of the Commission:

a. Access during the office hours of Scotts, the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, or Miracle-Gro and in the presence of counsel to inspect and copy all books, ledgers, accounts, correspondence, memoranda, and other records and documents in the possession or under the control of Scotts, the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, or Miracle-Gro relating to compliance with this Hold Separate;

b. Upon five (5) days notice to Scotts, the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, or Miracle-Gro and without restraint or interference from it, to interview officers or employees of Scotts, the Peters Consumer Water Soluble Fertilizer Business, the Peters Business, or Miracle-Gro, which officers or employees may have counsel present, regarding any such matters.

6. This Hold Separate shall not be binding until approved by the Commission.

Attachment A—Notice of Divestiture and Requirement for Confidentiality

The Scotts Company ("Scotts") has entered into an Agreement Containing Consent Order

("Consent Order") and an Agreement to Hold Separate with the Federal Trade Commission ("Commission") relating to the divestiture of the Peters Consumer Water Soluble Fertilizer Business or the Peters Business. Until after the Commission's order becomes final and the Peters Consumer Water Soluble Fertilizer Business or the Peters Business is divested, Stern's Miracle-Gro Products, Inc. ("Miracle-Gro") must be managed and maintained as a separate, ongoing business, independent of all other Scotts businesses. All competitive information relating to Miracle-Gro must be retained and maintained on a confidential basis by the persons involved in Miracle-Gro, and such persons are prohibited from providing, discussing, exchanging, circulating, or otherwise furnishing any such information to or with any other person whose employment involves any other Scotts business, including the Peters Consumer Water Soluble Fertilizer Business or the Peters Business.

Any violation of the Agreement Containing Consent Order or the Agreement to Hold Separate, incorporated by reference as part of the Agreement to Hold Separate, incorporated by reference as part of the Agreement Containing Consent Order, may subject Scotts to civil penalties and other relief as provided by law.

Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission ("Commission") has accepted, subject to final approval, an Agreement Containing Consent Order ("Agreement") from the Scotts Company ("Scotts").

The proposed Order has been placed on the public record for sixty (60) days for reception of comments by interested persons. Comments received during this period will become part of the public record. After sixty (60) days, the Commission will again review the Agreement and the comments received and will decide whether it should withdraw from the Agreement or make final the Agreement's proposed Order.

Scotts has proposed to acquire the outstanding voting securities of Stern's Miracle-Gro Products, Inc. ("Miracle-Gro") in exchange for voting securities of Scotts. Scotts and Miracle-Gro value the transaction at approximately \$200 million. The proposed complaint alleges that the merger, if consummated, would violate section 7 of Clayton Act, as amended, 15 U.S.C. 18, and section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. 45.

The complaint alleges that Scotts and Miracle-Gro compete in the market for water soluble fertilizer for United States consumer use. Scotts sells consumer water soluble fertilizer under the Peters brand name, while Miracle-Gro sells consumer water soluble fertilizer under the Miracle-Gro brand name. The proposed complaint alleges that the

merger would significantly increase concentration in an already highly concentrated market, combining a firm with a 70 percent market share and a firm with a six to seven percent market share. The proposed complaint also alleges that timely entry on a competitively meaningful scale would require a significant sunk investment in advertising. Entry is likely to require a significant amount of time because of the seasonal nature of the consumer lawn and garden industry and consumer reluctance to try new fertilizer brands. The proposed complaint concludes that the merger would increase the likelihood of unilateral anticompetitive behavior by the merged firm, because Miracle-Gro consumer water soluble fertilizer is the closest substitute for Peters consumer water soluble fertilizer. In addition, the complaint alleges that the merger would increase the likelihood of coordinated interaction among marketers of consumer water soluble fertilizer.

The proposed Order would remedy the alleged violation by replacing the lost competition that would result from the merger of Scotts and Miracle-Gro. The proposed Order would require Scotts to divest the Peters consumer water soluble fertilizer business, including the exclusive right to sell products to consumers under the Peters brand name. The divestiture is to be made either (1) to Alljack & Co. or (2) to an acquirer approved by the Commission. In order to ensure that the acquirer would be able to step quickly into Scotts' shoes in marketing Peters water soluble fertilizer, the proposed Order requires Scotts to divest its inventory and to enter into an interim year supply agreement with the acquirer. After the expiration of the supply agreement, the acquirer will be able to either manufacture or to have a supplier manufacture water soluble fertilizer identical to the water soluble fertilizer supplied by Scotts under the supply agreement. The proposed Order prohibits Scotts from putting the Scotts brand name on water soluble fertilizer for consumer use for a period of two (2) years to prevent activity that might undermine the Peters brand for a reasonable transition period after the divestiture.

A Hold Separate Agreement signed by Scotts provides that Miracle-Gro will be operated independently of Scotts, pending the Commission's final approval of the proposed Order. The Hold Separate Agreement also requires Scotts to maintain the viability of the Peters consumer water soluble fertilizer business and limits the exchange of certain information pending divestiture.

The proposed Order provides that Scotts shall divest the Peters consumer water soluble fertilizer business no later than December 31, 1995. If Scotts does not divest the Peters consumer water soluble fertilizer business during the allotted time period, then a trustee may be appointed to divest the business. If the trustee does not divest the business within six (6) months, then the trustee may divest the entire Peter business (consisting of all consumer and professional horticultural products sold under the Peters brand name, as well as the assets needed to manufacture and sell those products) within a twelve (12) month period. The proposed Order requires Scotts to submit a report of compliance with the proposed Order's divestiture requirements within sixty (60) days following the date the proposed Order becomes final, and every sixty (60) days thereafter until Scotts has completed the divestiture.

Finally, the proposed Order prohibits Scotts from acquiring any interest in any other company engaged in the sale of water soluble fertilizer for consumer use, without prior approval from the Commission, for a period of ten (10) years.

The purpose of this analysis is to facilitate public comment on the proposed Order. This analysis is not intended to constitute an official interpretation of the Agreement or the proposed Order or in any way to modify the terms of the Agreement or the proposed Order.

BILLING CODE 6750-01-M

GENERAL SERVICES ADMINISTRATION

Intent To Prepare an Environmental Impact Statement for the Development of a Clifton Road Campus Annex for the Centers for Disease Control and Prevention, Atlanta, Georgia

Pursuant to the requirements of the National Environmental Policy Act (NEPA) of 1969, and the President's Council on Environmental Quality Regulations (40 CFR 1500-1508), as implemented by General Services Administration (GSA) Order PBS P 1095.4B, GSA announces its intent to prepare an Environmental Impact Statement (EIS) for the long-term development of a campus annex (West Campus) to house the Centers for Disease Control and Prevention (CDC).

The EIS will examine the short and long term impacts on the natural and

built environments of developing and operating a mix of laboratory, office, and support space at the proposed West Campus. Potential impact assessment areas include but are not limited to air, water, public facilities & infrastructure, plant & animal life, transportation systems, parking, and community & economic issues.

The EIS will also examine measures to mitigate unavoidable adverse impacts of the proposed action. Concurrent with NEPA implementation, GSA will also implement its consultation requirements under Section 106 of the National Historic Preservation Act to determine the potential impacts of the proposed action on historic & cultural resources.

CDC's existing Main Campus occupies 27.6 acres, and is bounded by Clifton Road to the north, Michael Street to the south and east, and Clifton Way to the west.

CDC currently occupies approximately 884,000 gross square feet in 17 buildings, housing some 1,900 personnel. Approximately 60 percent of gross square footage consists of laboratory space, the remainder being office, administrative, and facility support space. There are approximately 1,800 parking spaces on site.

To meet CDC's known facility replacement needs, and to provide future expansion space, GSA proposes to acquire and develop approximately 16.8 acres bounded by Clifton Road to the north, Clifton Way to the east, and Michael Street to the south and west (West Campus). The maximum anticipated development over a twenty year planning horizon is approximately 633,000 additional gross square feet of laboratory, office, and support space, and 2,300 parking spaces.

GSA has identified the following alternatives to be examined in the EIS:

- "No Action," that is, undertake no site acquisition and development at all.
- Development of the proposed West Campus Site, previously described in this Notice. This is the GSA/CDC preferred alternative.
- Development of the proposed West Campus housing requirements on the Main Campus.

GSA may examine alternative levels of development based on CDC's known and projected requirements in response to public comments received during the NEPA analysis period.

As part of the public scoping process, GSA encourages you to contact us in writing at the following address with your concerns regarding the proposed action: Mr. George Chandler, Technical Services Team Leader, PBS Portfolio Management—4PT, 401 West Peachtree

Street, NW, Suite 3000, Atlanta, GA 30365, or, FAX your comments to Mr. Chandler at 404-331-4540. Comments should be postmarked no later than July 9, 1995.

GSA intends to conduct a Public Scoping Meeting to solicit comments, and to address general questions concerning the proposed action and NEPA. GSA will place a Notice of this and all subsequent public meetings and document releases concerning the proposed action in the Atlanta Journal-Constitution approximately two weeks prior to the event. GSA will notify persons and organizations on our mailing list by mail. Persons who wish to be added to the mailing list should write or FAX GSA as indicated in this Notice.

Dated: June 1, 1995.

Jimmy H. Bridgeman,

Assistant Regional Administrator, Public Buildings Service.
