**North American Free-Trade Agreement
(NAFTA) Article 1904 Binational Panel
Reviews; Notice of Decision of Panel**

AGENCY: NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

ACTION: Notice of decision of panel on May 30, 1995.

SUMMARY: On May 30, 1995, a Binational Panel issued its decision in the review of the final countervailing duty determination made by the International Trade Administration (ITA) in the administrative review respecting Live Swine from Canada, Secretariat File No. USA-94-1904-01. The Binational Panel remanded the final determinations to the International Trade Administration for further action on two issues and affirmed the determination in all other respects. A copy of the complete panel decision is available from the Binational Secretariat.

Secretary, NAFTA Secretariat, Suite

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement (“Agreement”) establishes a mechanism to replace domestic judicial

review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a binational panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* (“Rules”). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The Panel review in this matter has been conducted in accordance with these Rules.

BACKGROUND: A first Request for Panel Review was filed with the U.S. Section of the NAFTA Secretariat, pursuant to Article 1904 of the Agreement, on March 30, 1994. P. Quintaine & Son Ltd., of Brandon, Manitoba, Pryme Pork Ltd., of St. Malo, Manitoba and Earle Baxter Trucking LQ., of Millbank, Ontario requested panel review of the final countervailing duty administrative review described above.

PANEL DECISION: In its May 30, 1995 decision, the panel remanded the determination and instructed the ITA to:

(1) Reinstate the Sows and Boars subclass and determine a separate CVD rate for it; and

(2) Consider Pryme Pork's application for a subclass for Weanlings, employing the same criteria used in creating the Sows and Boars subclass, explaining in detail any reasons that may be found to preclude the establishment of a Weanling subclass or the calculation of a separate CVD rate for such subclass.

The panel also affirmed the final determination findings that Sows and Boars and also Weanlings are within the scope of the CVD order.

In a separate Order, the panel instructed the ITA to file its determination on remand by July 31, 1995.

Dated: June 9, 1995.

James R. Holbein,

United States Secretary, NAFTA Secretariat.
