

3. Location of Supplement for Inspection and Copying

A copy of the standards supplement, along with the approved plan, may be inspected and copied during normal business hours at the following locations: Office of the Regional Administrator, 133 Portland Street, Boston, Massachusetts, 02114; Office of the Commissioner, State of Connecticut, Department of Labor, 200 Folly Brook Boulevard, Wethersfield, Connecticut 06109, and the OSHA Office of State Programs, Room N-3476, Third Street and Constitution Avenue, NW., Washington, DC 20210.

4. Public Participation

Under 29 CFR 1953.2(c), the Assistant Secretary may prescribe alternative procedures to expedite the review process or for other good cause which may be consistent with applicable laws. The Assistant Secretary finds that good cause exists for not publishing the supplement to the Connecticut Public Sector Plan as a proposed change and making the Regional Administrator's approval effective upon publication for the following reason.

1. The standards were adopted in accordance with the procedural requirements of State law which included public comment, and further public participation would be repetitious.

This decision is effective on June 19, 1995.

Authority: Sec. 18, Pub. L. 91-596, 84 Stat. 1608 (29 U.S.C. 667).

Signed at Boston, Massachusetts, this 11th day of May 1995.

John T. Phillips,

Regional Administrator.
