SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) has received timely requests, in accordance with sections 353.22(a)(1), (2), and (3) of the Department's regulations, for administrative reviews of the antidumping duty orders covering antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Romania, Singapore, Thailand, and the United Kingdom. The orders cover three classes or kinds of merchandise: ball bearings (ball), cylindrical roller bearings (cylindrical), and spherical plain bearings (spherical). Pursuant to section 353.25 of our regulations, NMB/Pelmec has requested revocation of the order covering ball bearings and parts thereof from Thailand. NMB/Pelmec is the only known producer/exporter of this merchandise from Thailand. NMB/Pelmec based its request on its claim that there has been an absence of dumping on sales of the above subject merchandise for a period of three consecutive years.

In accordance with section 353.22(c) of our regulations, we are initiating administrative reviews of the following antidumping duty orders. We intend to issue the final results of these reviews no later than May 31, 1996.
