

**Investigations Regarding Certifications of Eligibility To Apply for NAFTA Transitional Adjustment Assistance**

Petitions for transitional adjustment assistance under the North American Free Trade Agreement-Transitional Adjustment Assistance Implementation Act (P.L. 103-182), hereinafter called (NAFTA-TAA), have been filed with State Governors under Section 250(a) of Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended, are identified in the Appendix to this Notice. Upon notice from a Governor that a NAFTA-TAA petition has been received, the Director of the Office of Trade Adjustment Assistance (OTAA), Employment and Training Administration (ETA), Department of

Labor (DOL), announces the filing of the petition and takes actions pursuant to paragraphs (c) and (e) of Section 250 of the Trade Act.

The purpose of the Governor's actions and the Labor Department's investigations are to determine whether the workers separated from employment after December 8, 1993 (date of enactment of P.L. 103-182) are eligible to apply for NAFTA-TAA under Subchapter D of the Trade Act because of increased imports from or the shift in production to Mexico or Canada.

The petitioners or any other persons showing a substantial interest in the subject matter of the investigations may request a public hearing with the Director of OTAA at the U.S. Department of Labor (DOL) in

Washington, D.C., provided such request is filed in writing with the Director of OTAA not later than June 29, 1995.

Also, interested persons are invited to submit written comments regarding the subject matter of the petitions to the Director of OTAA at the address shown below not later than June 29, 1995.

Petitions filed with the Governors are available for inspection at the Office of the Director, OTAA, ETA, DOL, Room C-4318, 200 Constitution Avenue, N.W., Washington, D.C. 20210.
