

agree with TPA that, because this is a purchase price situation and because Teijin has not made an adequate claim for an adjustment under the circumstance-of-sale (COS) provision of 19 CFR 353.56, in accordance with the Federal Circuit's decision in *Ad Hoc Committee*, it is not appropriate to deduct pre-sale inland freight at all and have adjusted our calculations accordingly.

(6) Teijin's U.S. and home market indirect expenses have not been deducted for the final results of review.

(7) We corrected the clerical error noted.

(8) We have used identical or first most similar matching for our final results of review.

Final Results of the Review

As a result of our review, we have determined that the following margins exist for the period November 30, 1990, through May 31, 1992:

Manufacturer/producer/exporter	Margin (percent)
Toray	2.24
Teijin	2.03
Diafoil	14.00

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between U.S. price and FMV may vary from the percentages stated above. Upon completion of the review the Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following deposit requirements will be effective upon publication of these final results of administrative review for all shipments of PET film entered, or withdrawn from warehouse, for consumption on or after that publication date, as provided by section 751(a)(1) of the Tariff Act, and will remain in effect until publication of the final results of the next administrative review: (1) The cash deposit rates for the reviewed companies will be those outlined above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be their previously established company-specific rate; (3) if the exporter is not a firm covered in this review, previous reviews, or the original investigation, but the manufacturer is, the cash deposit rate will be that established for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review, the cash deposit rate will be 6.32 percent, which is the

all other rate established in the LTFV investigation, in accordance with the Court of International Trade's (CIT's) decisions in *Floral Trade Council v. United States*, 822 F. Supp. 766 (CIT 1993), and *Federal Mogul Corporation and the Torrington Company v. the United States* 822 F Supp. 782 (CIT 1993).

This notice serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: June 14, 1995.

Paul L. Joffe,

Deputy Assistant Secretary for Import Administration.
