Notice Pursuant to the National Cooperative Research and Production Act of 1993—Gas Utilization Research Forum

Notice is hereby given that, on May 15, 1995, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), the Participants in the Gas Utilization Research Forum (“GURF”) Project No. 2, titled “Mid-Range LNG Plant Liquefaction Process Study”, has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to GURF Project No. 2, and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to section 6(b) of the Act, the identities of the parties are Amoco Corporation, Naperville, IL; Chevron Research and Technology Company, Richmond, CA; and Gaz de France, Research Division,

Nates Cedex 01 FRANCE. The contemplated liquefaction process work is to be carried out under contract with the foregoing Participants by M.W. Kellogg Company, Houston, TX. The objective of this Project is to investigate the feasibility with respect to the technical definition and establishment of an LNG facility designed to export approximately sixty (60) million standard cubic feet of liquefied natural gas per day. The general objectives of the Study are to determine the preferred liquefaction process for mid-range LNG capacity plants, and then to develop a preliminary plant description and definition; conceptual design basis for the plant, e.g., capacity, plot plan, feed gas, etc.; and a preliminary capital and preliminary operating cost estimate for the plant.

Participation in this Project will remain open to interested persons and organizations until the Project Completion Date, which is presently anticipated to occur approximately five (5) months after the Project commences. The Participants intend to file additional written notifications disclosing all changes in the membership of the group of Participants involved in this Project.

Information regarding participation in the Project may be obtained from Robert J. Motal, Chevron Research and Technology Company, 100 Chevron Way, P.O. Box 4731, Richmond, CA 94802-0627.
