

of the Trade Act of 1974, as amended (19 USC 2331), the Department of Labor herein presents the results of an investigation regarding certification of eligibility to apply for NAFTA-TAA.

In order to make an affirmative determination and issue a certification of eligibility to apply for NAFTA-TAA, the group eligibility requirements in either paragraph (a)(1)(A) or (a)(1)(B) of Section 250 of the Trade Act must be met. It is determined in this case that the requirements of (a)(1)(A) of Section 250 have been met.

The investigation was initiated on April 19, 1995 in response to a petition filed on behalf of workers at Scotty's Fashions in Lewistown and Kresgeville, Pennsylvania. Workers are engaged in the production of ladies apparel.

Investigation findings revealed that sales and production declined at the Lewistown and Kresgeville facilities of Scotty's Fashions and that significant worker separations have occurred during Spring of 1995.

A survey conducted with major customers of Scotty's Fashions revealed that respondents decreased purchases from Scotty's Fashions and increased their imports of ladies apparel from Canada and Mexico.

Workers at Scotty's Fashions, located in Lewistown, Pennsylvania and Kresgeville Manufacturing, Inc., located in Kresgeville, Pennsylvania were certified to receive benefits under the Trade Adjustment Assistance program (TA-W-30,832) on May 8, 1995.

Conclusion

After careful review of the facts obtained in the investigation, I conclude that increases of imports of articles like or directly competitive with ladies apparel contributed importantly to the declines in sales or production and to the total or partial separation of workers at Scotty's Fashion in Lewistown and Kresgeville, Pennsylvania. In accordance with the provisions of the Act, I make the following certification:

All workers of Scotty's Fashions in Lewistown (NAFTA-00439) and Kresgeville (NAFTA-00439A), Pennsylvania who became totally or partially separated from employment on or after April 19, 1994 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC, this 26th day of May 1995.

Victor J. Trunzo,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

Wirekraft Industries, Inc., et al.; Mishawaka, IN; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In the Matter of NAFTA-00293A, Wirekraft Industries, Inc., Burcliff Industries, Marion, Ohio; NAFTA-00293B, Wirekraft Industries, Inc., Burcliff Industries, Lakeville, Indiana; and NAFTA-00293C, Wirekraft Industries, Inc., Burcliff Industries, Cardington, Ohio.

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on December 29, 1994, applicable to all workers at the subject firm. The notice was published in the **Federal Register** on January 20, 1995 (60 FR 4196).

The certification was amended March 17, 1995, and published in the **Federal Register** on March 27, 1995 (60 FR 15793). The certification was subsequently amended May 1, 1995. The notice will soon be published in the **Federal Register**.

New information received from the company show that the Wirekraft workers in Cardington, Ohio also produce wire harnesses.

The intent of the Department's certification is to include all workers who were adversely affected by increased imports.

Accordingly, the Department is amending the certification to include the Wirekraft workers in Cardington, Ohio.

The amended notice applicable to NAFTA-00293 is hereby issued as follows:

All workers of Wirekraft Industries, Inc., Mishawaka, Indiana and Wirekraft Industries' Burcliff Industries, in Marion, Ohio; Lakeville, Indiana; and Cardington, Ohio who became totally or partially separated from employment on or after December 8, 1993 are eligible to apply for NAFTA-TAA Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 9th day of June 1995.

Victor J. Trunzo,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

Occupational Safety and Health Administration

Targeted Training Grants

AGENCY: Occupational Safety and Health Administration (OSHA), Labor.

ACTION: Notice of availability of funds and request for grant applications.

SUMMARY: The Occupational Safety and Health Administration (OSHA) has a grant program, Targeted Training, which awards funds to nonprofit organizations to conduct safety and health training and education in the workplace. This notice announces Targeted Training grant availability for training in fall protection in the residential construction industry, assisting small businesses to develop safety and health programs, training hospital and nursing or medical care facility workers in the prevention of injuries, and training small logging employers about the requirements of OSHA's logging standard. This notice describes the scope of the grant program and provides information about how to get detailed grant application instructions. Applications should not be submitted without the applicant first obtaining the detailed grant application instructions mentioned later in the notice.

Authority for this program may be found in section 21(c) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 670).

DATES: Applications must be received by August 4, 1995.

ADDRESSES: Grant applications must be submitted to the OSHA Office of Training and Education, Division of Training and Educational Programs, 1555 Times Drive, Des Plaines, Illinois 60018.

FOR FURTHER INFORMATION CONTACT: Ronald Mouw, Chief, Division of Training and Educational Programs, or Helen Beall, Training Specialist, OSHA Office of Training and Education, 1555 Times Drive, Des Plaines, Illinois 60018, telephone (708) 297-4810.

SUPPLEMENTARY INFORMATION:

Background

Section 21(c) of the Occupational Safety and Health Act provides for the education and training of employers and workers in the recognition, avoidance, and prevention of unsafe or unhealthful working conditions. OSHA has used a variety of approaches over the years to fulfill its responsibilities under this section, one of which is the awarding of grants to nonprofit organizations to develop and provide training and education to workers and employers.
