Notice of Availability for Environmental Assessment and Finding of No Significant Impact for the Disposal and Reuse of Newark AFB, OH

The United States Air Force is issuing this notice to advise the public that the Air Force has prepared an environmental assessment (EA) to assess the potential environmental consequences of the disposal and reuse of Newark AFB identified for closure under the Base Closure and Realignment Act of 1990 as amended. As a result of the analysis of impacts in the EA, it was concluded that the proposed disposal and reuse of Newark AFB would not have a significant effect on human health or the natural environment and, therefore, an environmental impact statement will not be prepared. Based on the analysis in the EA, a Finding of No Significant Impact (FONSI) has been issued. Please direct requests for further information concerning the Newark AFB disposal and reuse EA and FONSI to: Col.
