

Federal Energy Regulatory Commission

[Docket No. CP95-563-000]

Florida Gas Transmission Company; Request Under Blanket Authorization

June 19, 1995.

Take notice that on June 15, 1995, Florida Gas Transmission Company (FGT), 1400 Smith Street, P.O. Box 1188, Houston, Texas 77251-1188, filed a prior notice request with the Commission in Docket No. CP95-563-000 pursuant to Section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to construct and operate a new delivery point and realign natural gas volumes at another delivery point under FGT's blanket certificate issued in Docket No. CP82-553-000 pursuant to Section 7 of the NGA, all as more fully set forth in the request which is open to the public for inspection.

FGT proposes to construct and operate a delivery point and meter station on its existing West Leg pipeline in Pasco County, Florida, to serve Peoples Gas System, Inc. (Peoples) with firm and interruptible transportation service pursuant to FGT's FERC Rate Schedules FTS-1 and PTS-1, respectively. FGT also proposes to realign Maximum Daily Transportation Quantities (under Rate Schedule FTS-1) of 2,897 MMBtu to the proposed delivery point from FGT's Eustis Division for the months of October to April, and 370 MMBtu from May to September. FGT states that Peoples would reimburse FGT for the \$151,000 estimated construction cost of the new delivery point.

FGT states that its tariff allows additional delivery points and realignment of natural gas volumes. FGT also states that its gas deliveries to Peoples would remain within the currently certificated limits and have no disadvantageous impact on FGT's other existing customers.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the

instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.
