AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled

ACTION: Additions to the procurement list.

SUMMARY: This action adds to the Procurement List services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: July 24, 1995.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman, (703) 603-7740.

SUPPLEMENTARY INFORMATION: On October 14, 1994, February 10, April 28, and May 5, 1995, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (59 F.R. 52145, 60 F.R. 7944, 20971, 22372) of proposed additions to the Procurement List. After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services, fair market price, and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the services to the Government.
2. The action does not appear to have a severe economic impact on current contractors for the services.
3. The action will result in authorizing small entities to furnish the services to the Government.
4. There are no known regulatory alternatives which would accomplish

the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the services proposed for addition to the Procurement List.

Accordingly, the following services are hereby added to the Procurement List:

Administrative Services, Department of Veterans Affairs Medical Center, 1500 East Woodrow Wilson Drive, Jackson, Mississippi

Educational

awards-only programs will not count against a State's maximum number of allowable competitive programs.

SUPPLEMENTARY INFORMATION:

Background

The Corporation is a federal government corporation that engages Americans of all ages and backgrounds in community-based service. This service addresses the nation's educational, public safety, human, and environmental needs to achieve direct and demonstrable results. In doing so, the Corporation fosters civic responsibility, strengthens the ties that bind us together as a people, and provides educational opportunity for those who make a substantial commitment to service.

Pursuant to the National and Community Service Act of 1990, as amended, 42 U.S.C. 12501, et seq. (the Act), the Corporation may "support innovative and model programs, including * * * programs sponsored by governors." 42 U.S.C. 12653(b)(5). In addition, an individual can receive an educational award from the National Service Trust if, among other things, the individual "successfully completes the required term of service * * * in an approved national service position." 42 U.S.C. 12602. The Act defines an approved national service position to include six specific service positions and "such other national service positions as the Corporation considers to be appropriate." 42 U.S.C. 12573.

Because the Corporation's statutory authority for sponsoring these "innovative and model" programs is found in Subtitle H of the Act, rather than Subtitle C, some of the AmeriCorps program requirements found in Subtitle C may not necessarily apply to these programs. However, the Corporation has determined that to maintain the
