

4. Use of Auditory Canal Thermometers in Pediatric and Family Practice Offices—New—This is a mailed survey of a sample of pediatricians and family practitioners in clinical practice to determine experience with auditory canal thermometers including device performance problems, in support of the Center for Devices regulation and monitoring of this device. Respondents: Business or other for-profit; Number of Respondents: 740; Number of Responses per Respondent: 1; Average Burden per Response: .167 hour; Estimated Total Annual Burden: 123 hours. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

5. 1994 Access to Care Survey—0920-0346—Reinstatement, no change—The 1994 Access to Care Survey is a follow-up study of a sample of persons identified in the 1993 National Health Interview Survey. The objectives of the survey are to characterize experience of the general American population in obtaining medical care and provide detailed information on the nature of access problems. Respondents: Individuals or households: Number of Respondents: 8400; Number of Responses per Respondent: 1; Average Burden per Response: .43 hour; Estimated Total Annual Burden: 3600 hours. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

6. A Prospective Study of Diet and Cancer in Members of the American Association of Retired Persons—New—This study will collect primary data by mail from the male and female AARP members aged 50–69 years. The study is uniquely and explicitly designed to overcome the problems of dietary homogeneity and dietary measurement error. The information is expected to elucidate the relation between diet and several major cancers. Respondents: Individuals or households; Business or other for-profit; Number of Respondents: 291,900; Number of Responses per Respondent: 1.3; Average Burden per Response: .04734 hour; Estimated Total Annual Burden: 179,636 hours. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

Written comments and recommendations concerning the proposed information collections should be sent within 30 days of this notice directly to the individual designated.

Dated: June 20, 1995.

James Scanlon,

Director, Data Policy Staff, Office of the Assistant Secretary for Health and PHS, Reports Clearance Officer.

BILLING CODE 4160-20-U

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Community Planning and Development

[Docket No. N-95-1917; FR-3778-N-42]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and

surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

ADDRESSES: For further information, contact David Pollack, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1234; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a
