INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-363-364 and 731-TA-711-717 (Final)]

OCTG From Argentina, Austria, Italy, Japan, Korea, Mexico and Spain; Notice of Commission Determination to Conduct a Portion of the Hearing in Camera

AGENCY: U.S. International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

SUMMARY: Upon request of respondents in the above-captioned final investigations, the Commission has unanimously determined to conduct a portion of its hearing scheduled for June 27, 1995, *in camera*. See Commission rules 207.23(d), 201.13(m) and 201.35(b)(3) (19 CFR 207.23(d), 201.13(m) and 201.35(b)(3)). The remainder of the hearing will be open to the public. The Commission unanimously has determined that the seven-day advance notice of the change to a meeting was not possible. See Commission rule 201.35(a), (c)(1) (19 CFR § 201.35(a), (c)(1)).

FOR FURTHER INFORMATION CONTACT: Anjali K. Singh, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone 202-205-3117.

Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that the respondents from the subject countries have justified the need for a closed session. A full discussion of price competition in the industry and the domestic industry's financial condition can only occur if a portion of the hearing is held *in camera*. Because certain information is not publicly available, any discussion of issues relating to this information will necessitate disclosure of business proprietary information (BPI). Thus, such discussions can only occur if a portion of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioners and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for a presentation that discusses BPI by respondents and for questions from the Commission relating to the BPI, followed by a similar *in camera* presentation by petitioners. For any *in camera* session the room will be cleared of all persons except those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in this investigation. See 19 CFR 201.35(b)(1), (2). In addition, to the extent petitioners' BPI will be discussed in the *in camera* session, personnel of the petitioning firms whose data will be discussed may also be granted access to the closed session while such data is discussed. The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall allotments for the hearing. All persons planning to attend the *in camera* portions of the hearing should be prepared to present proper identification.

Authority: The General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR 201.39) that, in her opinion, a portion of the Commission's hearing in *OCTG from Argentina, Austria, Italy, Japan, Korea, Mexico and Spain*, Inv. Nos. 701-TA-363-364 and 731-TA-711-717 (Final) may be closed to the public to prevent the disclosure of BPI.

Issued: June 21, 1995.

By order of the Commission.

Donna R. Koehnke,
Secretary.
