CNG Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

June 21, 1995.

Take notice that on June 16, 1995, CNG Transmission Corporation (CNG), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheet, with a proposed effective date of July 11, 1995: Third Revised Sheet No. 58

CNG requests an effective date for this tariff sheet of July 11, 1995; to that end, CNG seeks waiver of Section 154.22 of the Commission's Regulations. This accelerated effective date will enable CNG to reduce its customers' obligations during the next available invoice cycle.

CNG states that the purpose of this filing is to flow back to CNG's customers a principal credit amount of \$9,297,862, which is related to CNG's unrecovered purchased gas and sales-related transportation costs ("Section 18.1 Transition Costs"). This credit reflects amounts that have been booked to CNG's Account Nos. 191 and 186 since CNG's previous Section 18.1 Transition Cost filing (in Docket No. RP94-300).

CNG states that copies of this letter of transmittal and enclosures are being mailed to CNG's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a protest or motion to intervene with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure, 18 CFR Sections 385.214 and 385.211. All motions or protests should be filed on or before June 28, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

Kern River Gas Transmission Company; Notice of Refund Report

June 21, 1995.

Take notice that on June 15, 1995, Kern River Gas Transmission Company (Kern River), filed refund report made in compliance with the October 19, 1994, Stipulation and Agreement (Settlement) and the Commission's January 25, 1995 and April 4, 1995, orders approving the Settlement in the above referenced docket.

Kern River stated that on May 31, 1995, a total refund of \$48,518,974.15 was sent to its eighteen customers. The report provides details of the refunds of amounts collected in excess of the rates established by the settlement. It is stated that the refunds are further based on changes to the interruptible transportation revenue credits provided during period from March 1, 1993 through July 31, 1993 and from the period August 1, 1993 through April 30, 1995. Such changes (1) reflect the reduced interruptible revenue credit levels resulting from the Settlement; and (2) implement, effective January 1, 1994, the revised interruptible revenue crediting methodology established by Article I Section 6 of the Settlement.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests should be filed on or before June 28, 1995. Protest will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of the filing are on file with the Commission and are available for public inspection.
