

B. Approach

(i) Outlines a plan of action pertaining to the scope and detail on how the proposed work will be accomplished. Include the reasons for taking this approach as opposed to other approaches.

(ii) Describes any unusual features, such as design or technological innovations and extraordinary social/community involvement.

(iii) Provides quantitative projections of the accomplishments to be achieved, if possible, or lists the activities in chronological order to show the schedule of accomplishments and their target dates.

(iv) Identifies the kinds of data to be collected and maintained, and discusses the criteria to be used to evaluate the results. Explains the methodology that will be used to determine if the needs identified and discussed are being met and if the results and benefits identified are being achieved.

(v) Lists each organization, corporation, consultant, or other individual who will work on the project along with a short description of the nature of their effort or contribution and relevant experience.

3. Applications must be typed on one side of the page only. The original and two copies of each application must be submitted. An applicant may submit an additional four copies to facilitate the review process, but there is no requirement or obligation to do so.

Terms and Conditions of the Award

Prior to the award, each recipient must comply with the certification requirements of 49 CFR part 29—Department of Transportation. During the effective period of the cooperative agreement awarded as a result of this notice, the agreements shall be submitted to general administrative requirements of OMB Circular A-110 (or the "common rule", if effected prior to the award), the cost principles of OMB Circular A-21 or A-22, as applicable to the recipient, and the provisions of 49 CFR part 29, Governmentwide Debarment and Suspension (nonprocurement).
