

94-1437 (E.D.Pa.), was lodged on June 20, 1995, with the United States District Court for the Eastern District of Pennsylvania. The decree addresses Conrail's violations of Section 112 of the Clean Air Act (the "Act"), 42 U.S.C. 7412, and certain provisions of the National Emission Standard for Hazardous Air Pollutants for asbestos ("Asbestos NESHAP") which occurred at the Port Richmond Grain Elevator facility located at 2870 E. Allegheny Avenue, Philadelphia, PA. Conrail owns the Grain Elevator, which was being renovated during the time the violations occurred, in late 1992 and early 1993. Conrail's violations included failure to notify the City of Philadelphia or EPA of asbestos removal activities involved in the renovation, failure to wet adequately the asbestos that was being removed from the facility, and failure to assure that no visible emissions were released into the outdoor atmosphere.

Under the proposed Partial Consent Decree, Conrail has agreed to pay a civil penalty of \$800,000 to resolve its liability in the instant District Court action as well as its liabilities in an unrelated administrative asbestos NESHAP action involving another Conrail facility in Philadelphia.
