

Notice Pursuant to the National Cooperative Research and Production Act of 1993—“EHC Technologies Consortium Electrical Energy-Source Alternatives,” a Cooperative Industry Research Study

Notice is hereby given that, on April 13, 1995, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Southwest Research Institute (SwRI”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Centro Ricerche Fiat has withdrawn from participation; and the period of performance has been extended to February 28, 1995.

No other changes have been made in either the membership or planned activity of the group research project. Membership in the project remains open, and SwRI intends to file additional written notification disclosing all changes in membership.

On October 18, 1993 SwRI filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on January 14, 1994 (59 FR 2438–9). The last notification was filed with the Department on January 27, 1994. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on March 23, 1995 (65 FR 15307).
