47 CFR Part 73

[MM Docket No. 94-137; RM-8532]

Radio Broadcasting Services; Romney, WV

AGENCY: Federal Communications Commission.

ACTION: Proposed rule; denial of.

SUMMARY: The Commission denies the petition of The West Virginia Schools for the Deaf and the Blind, proposing the substitution of Channel *281A for Channel 201A at Romney, West Virginia, its reservation for noncommercial educational use, and the modification of Station WJGF(FM)'s license accordingly. See 59 FR 62390, December 5, 1994. We find that the proposed substitution does not meet the Commission's criteria for the reservation of a commercial channel for noncommercial educational use. With this action, this proceeding is terminated.
