SUPPLEMENTARY INFORMATION:
I. Background
Since July 1, 1994, the date of the most
recent revision to Title 30 of the
Code of Federal Regulations (30 CFR
Part 700 to End), OSM has become
aware of changes that need to be made
to the addresses of State, Tribe, and
OSM offices involved in certain State
and Tribe AMLR plans and to the
addresses of State and OSM offices
involved in certain State regulatory
programs. OSM is updating or adding
State, Tribe, and OSM addresses at 30
CFR Parts 756, 902, 916, and 944 to
accurately indicate where copies of the
Navajo Nation, Hopi Tribe, Alaska,
Kansas, and Utah AMLR plans are
available for public inspection and
copying. Similarly, and in accordance
with 30 CFR 732.11(a), OSM is updating
State and OSM office addresses at 30
CFR Parts 902 and 916 to accurately
indicate where copies of the Alaska and
Kansas regulatory programs are
available for public inspection and
copying.

OSM is also taking this opportunity to
correct the codification of the
paragraphs within section 30 CFR
944.20 approving the Utah AMLR plan.
OSM is correcting the codification set
forth in the Federal Register on
September 27, 1994 (59 FR 49185,
49189).

Lastly, to ensure consistency in the
codification of certain AMLR plan
and regulatory program sections, OSM is
lettering certain paragraphs that were
previously unlettered.

II. Procedural Matters
1. Administrative Procedure Act
The minor revisions contained in this
rulemaking are technical in nature.
Accordingly, pursuant to 5 U.S.C.
553(b)(B), it has been determined that
the notice and public comment
procedures of the Administrative
Procedure Act are unnecessary. For the
same reason, it has been determined
that in accordance with 5 U.S.C. 553(d),
there is good cause to make the rule
effective on the date of publication in
the Federal Register.

2. Executive Order 12866
This rule is exempted from review by
the Office of Management and Budget
(OMB) under Executive Order 12866
(Regulatory Planning and Review).

3. Executive Order 12778
The Department of the Interior has
conducted the reviews required by
section 2 of Executive Order 12778
(Civil Justice Reform) and has

determined that this rule meets the
applicable standards of subsections (a)
and (b) of that section. This rule (1)
does not preempt any State, Tribal, or
local laws or regulations; (2) does not
require administrative proceedings
before parties may file suit in court
challenging its provisions.

4. National Environmental Policy Act
This rule has been reviewed by OSM
and it has been determined to be
categorically excluded from the
National Environmental Policy Act
(NEPA) process in accordance with the
Departmental Manual (516 DM 2
appendix 1.10) and the Council on
Environmental Quality Regulations for
Implementing the Procedural Provisions
of NEPA (40 CFR 1507.3).
5. Paperwork Reduction Act
   This rule does not contain information collection requirements that require approval by OMB under the Paperwork Reduction Act (44 U.S.C. 3507 et seq.).

6. Regulatory Flexibility Act
   The Department of the Interior has determined that this rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.). This rule merely revises addresses contained in the regulations.

Need for Correction

As published, the final regulations contain errors which may prove to be misleading and are in need of clarification. The first correction removes a misleading effective date and the second correction is for a misspelling.
