

and to be managed as National Forest System lands.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the Alaska State Director of the Bureau of Land Management at the address indicated above.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the Alaska State Director within 90 days from the date of publication of this notice. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting.

The applications will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of 2 years from the date of publication of this notice in the **Federal Register**, the lands will be segregated as specified above unless the applications are denied or canceled or the withdrawal is approved prior to that date. The segregation made by this order shall overlap but not otherwise affect the segregation established by Public Land Order No. 5180, as amended.

The lands will be managed in accordance with the various acts that govern occupancy and use of National Forest System lands. Temporary uses which may be permitted during this segregative period would be for land use authorizations that are compatible with intended uses allowed under the discretion of the authorized officer.

Dated: June 20, 1995.

Opening of Land in a Proposed Withdrawal; Montana

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The temporary 2-year segregation of a proposed withdrawal of 19,684.74 acres of public mineral estate for protection of the unique resources

within the Sweet Grass Hills expires on August 2, 1995, and the land will be opened to mining. The lands have been and will remain open to surface entry and mineral leasing.

EFFECTIVE DATE: August 2, 1995.

FOR FURTHER INFORMATION CONTACT:

Sandra Ward, BLM Montana State Office, P.O. Box 36800, Billings, Montana 59107, 406-255-2949, or Jerry Majerus, Lewistown District Office, Lewistown, Montana 59457, 406-538-7461.

SUPPLEMENTARY INFORMATION: A Notice of Proposed Withdrawal was published in the **Federal Register** (58FR41289-91) August 3, 1993, which segregated the lands described therein for up to 2 years from location and entry under the mining laws, subject to valid existing rights, but not from the general land laws or the mineral leasing laws. The 2-year segregation expires August 2, 1995. The withdrawal application will continue to be processed unless it is canceled or denied.

At 9 a.m. on August 2, 1995, the lands will be opened to location and entry under the United States mining laws, subject to valid existing rights, the provision of existing withdrawals, and other segregations of record. Appropriation of any of these lands under the general mining laws prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempting adverse possession under 30 U.S.C. 38 (1988) shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by state law where not in conflict with federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights, since Congress has provided for such determinations in local courts.

Dated: June 20, 1995.

Thomas P. Lonnie,

Deputy State Director, Division of Resources.
