

of Textile Agreements. That directive concerns imports of cotton, wool, man-made fiber and other vegetable fiber textiles and textile products, produced or manufactured in Jamaica and exported during the twelve-month period beginning on January 1, 1995 and extending through December 31, 1995.

Effective on July 5, 1995, you are directed, pursuant to the Memorandum of Understanding dated June 20, 1995 between the Governments of the United States and Jamaica, the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing, to establish a limit for textile products in Categories 351/651 at a level of 500,000 dozen¹ for the period beginning on March 27, 1995 and extending through December 31, 1995.

Textile products in Categories 351/651 which have been exported to the United States prior to March 27, 1995 shall not be subject to this directive.

Textile products in Categories 351/651 which have been released from the custody of the U.S. Customs Service under the provisions of 19 U.S.C. 1448(b) or 1484(a)(1) prior to the effective date of this directive shall not be denied entry under this directive.

Import charges will be provided at a later date.

Beginning on July 5, 1995, the U.S. Customs Service is directed to start signing the first section of the form ITA-370P for shipments of U.S. formed and cut parts in Categories 351/651 that are destined for Jamaica and re-exported to the United States on or after January 1, 1996.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Rita D. Hayes,
