Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in this final investigation available to authorized applicants under the APO issued in the investigation, provided that the application is made not later than twenty-one (21) days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in this investigation will be placed in the nonpublic record on September 29, 1995, and a public

version will be issued thereafter, pursuant to section 207.21 of the Commission's rules.

Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before October 2, 1995. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.23(b) of the Commission's rules. Parties are strongly encouraged to submit as early in the investigation as possible any requests to present a portion of their hearing testimony *in camera*.

Written submissions.—Each party is encouraged to submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.22 of the Commission's rules; the deadline for filing is October 6, 1995. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.23(b) of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.24 of the Commission's rules. In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a

[Finance Docket No. 32693]

Daniel R. Frick—Continuance in Control Exemption—J.K. Line, Inc., Winamac Southern Railway Company, and A. & R. Line, Inc.

Daniel R. Frick (Frick), a noncarrier individual, has filed a notice of exemption to continue in control of A. & R. Line, Inc. (A&R), upon A&R becoming a class III rail carrier.

A&R, a noncarrier, has concurrently filed a notice of exemption in *A. & R. Line, Inc.—Acquisition Exemption—Winamac Southern Railway Company,*

¹ In a related notice of exemption, filed April 20, 1995, and supplemented May 5, 1995, June 5, 1995, and June 23, 1995, Daniel R. Frick seeks to continue to control A&R when it becomes a class III rail carrier. *Daniel R. Frick—Continuance in Control Exemption—J.K. Line, Inc., Winamac Southern Railway Company, and A. & R. Line, Inc.*, Finance Docket No. 32693. Publication of the instant notice was deferred pending filing of clarifying supplemental information in Finance Docket No. 32693.

Finance Docket No. 32694, to acquire approximately 27.4 miles of rail line owned by Winamac Southern Railway Company (WSR) extending south-easterly from milepost 25.7 at Winamac, IN, to milepost 5.0 at Kenneth, IN, and thence eastwardly to milepost 74.5 at Logansport, IN. WSR will continue to operate the line as a common carrier, and A&R will acquire the residual common carrier obligation. The exemption became effective on April 27, 1995.

Frick owns and controls J.K. Line, Inc. (JK), a nonconnecting class III rail carrier operating in Indiana. Frick also controls WSR, a contiguous carrier. However, in a third supplement to the notice of exemption filed June 23, 1995, Frick states that prior to consummating the transaction in Finance Docket No. 32694, he will sell his majority interest in WSR to shareholders of Central Properties, Inc. Thus, upon consummating this transaction, Frick states that he will not control WSR but will be reduced to a minority shareholder.

Frick states that: (1) the line acquired by A&R does not connect with the lines operated by JK; (2) the continuance in control is not a part of a series of anticipated transactions that would connect the railroads with each other or with any railroad in the corporate family; and (3) the transaction does not involve a class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11343. See 49 CFR 1180.2(d)(2).

As a condition to use of this exemption, any employees affected by the transaction will be protected by the conditions set forth in *New York Dock Ry.—Control—Brooklyn Eastern Dist.*, 360 I.C.C. 60 (1979).

Petitions to revoke the exemption under 49 U.S.C. 10505(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction. Pleadings must be filed with the Commission and served on: Richard H. Streeter, Barnes & Thornburg, 1401 Eye St., N.W., Suite 500, Washington, DC 20005.

Decided: June 27, 1995.

By the Commission, David M. Konschnik, Director, Office of Proceedings.

Secretary.
