Lodging of Consent Decree Pursuant to the Clean Air Act

In accordance with 28 CFR 50.7, notice is hereby given that on June 16, 1995, a proposed consent decree in *United States of America v. Anthony Dell'Aquila Enterprises and Subsidiaries, et al.*, Civil Action No. 88-3232 (JCL), was lodged with the United States District Court for the District of New Jersey. The United States' complaint sought injunctive relief and civil penalties under the Clean Air Act ("CCA") against Anthony Dell'Aquila Enterprises and Subsidiaries ("Dell'Aquila"), Harry Grant, and Sandalwood Construction Company in regard to violations of the National Emission Standards for Hazardous Air Pollutants for asbestos ("asbestos NESHAP") at a facility owned by Dell'Aquila in Hoboken, New Jersey ("Dell'Aquila site"). The consent decree is signed on behalf of Dell'Aquila and the Trustee of the bankruptcy estate in a bankruptcy proceeding that was initiated by Dell'Aquila in 1990, *In re Dell'Aquila*, Case No. 90-21873 (Bankr. N.J.). The consent decree does not address the liability of Harry Grant or Sandalwood Construction Company, and the complaint against those defendants remains pending.

The consent decree provides that the Trustee, on behalf of Dell'Aquila, shall pay from the bankruptcy estate a civil penalty of \$400,000, as an administrative expense, to the United States upon the effective date of a plan of reorganization or liquidation in the bankruptcy proceeding. The consent decree also provides, *inter alia*, that both Dell'Aquila and the Trustee shall conduct all demolition or renovation operations at the Dell'Aquila site in compliance with the asbestos NASHAP and that Dell'Aquila, prior to commencing any demolition or renovation operation at any facility for which he is an owner or operator, shall hire an accredited building inspector who will complete a thorough asbestos identification survey for the presence of asbestos containing material and will provide a copy of the survey to the U.S. Environmental Protection Agency ("EPA").

The Department of Justice will receive comments relating to the proposed consent decree for a period of thirty (30)
