#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

It is the Government's policy to improve environmental quality. Accordingly, Executive agencies must conduct their acquisition activities in a

manner that will result in effective enforcement of the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Clean Water Act (33 U.S.C. 1251 *et seq.*). The information required by the Clean Air and Water Certification is used to determine a contractor's compliance with these laws. A determination of noncompliance by the contracting officer requires notifying the agency head or designee who, in turn, notifies the Environmental Protection Agency's (EPA) Administrator, or a designee, in writing. Government contracting offices use the information to determine a firm's eligibility for award of a contract and to provide information to the EPA.

BILLING CODE 3710-24-M

**Award of the New Fort Bragg/Pope Air Force Base Managed Mental Health Services Contract to FHC Options, Inc. (Civilian Health and Medical Program of the Uniformed Services (CHAMPUS))**

**AGENCY:** Army, Office of The Surgeon General.

**ACTION:** Notice of award of the Fort Bragg/Pope Air Force Base managed mental health program fixed price, at-risk contract.

**SUMMARY:** The Fleet Industrial Supply Center (FISC) Naval Detachment, Philadelphia, Pennsylvania, has awarded to FHC Options, Inc., a subsidiary of FHC Health Systems, Norfolk, Virginia, the contract to provide managed mental health services to Fort Bragg and Pope Air Force Base CHAMPUS eligible beneficiaries in the Fayetteville, North Carolina area. The contract duration is one year, the four subsequent one-year renewal options. The new contract implementation date is October 1, 1995.

Currently, Fort Bragg and Pope Air Force Base CHAMPUS-eligible adults receive mental health services as under the standard CHAMPUS benefit and management program. Children and adolescents receive mental health services initiated under the Fort Bragg demonstration. The demonstration project ended on 18 May 1994; its provisions continue under an interim contract scheduled to end September 30, 1995. Under the demonstration CHAMPUS-eligible beneficiaries under 18 years of age were evaluated through a central intake system and referred to providers of the main subcontract or its subcontracted providers. Intermediate level services were available in less restrictive settings, between inpatient and outpatient services. There were no copays, deductibles or cost-shares associated with mental health care received under the demonstration.

**FOR FURTHER INFORMATION CONTACT:** Mr. Kenneth Bullock, Contract Specialist,

FISC Detachment, Philadelphia, Pennsylvania 19112-5082, (215) 697-9676 or Captain Kathleen Lavigne, Medical Corps, Contracting Officer's Representative, Womack Army Medical Center, Fort Bragg, North Carolina 28307-5000, (910) 432-2992.

**SUPPLEMENTARY INFORMATION:** The new contract incorporates the following changes from the past contract:

**24-Hour, Toll Free Referral Line**

Fort Bragg and Pope Air Force Base CHAMPUS-eligible beneficiaries may obtain access to mental health services by calling the 24-hour, toll free CHOICE LINE. The telephone line is staffed by licensed mental health clinicians who have access to a computerized program that assists in finding the most appropriate mental health provider for the beneficiary. Routine appointments will be available within 14 days, versus 21 days under the demonstration program.

**Resource Center**

In addition, the beneficiaries will be able to walk into a Resource Center for referral and appointment setting. This Center, located in Fayetteville near Cape Fear Valley Medical Center, will offer face-to-face assessments, referral services, prevention and wellness seminars and information for Fort Bragg and Pope Air Force Base CHAMPUS eligible beneficiaries.

**Intermediate and Other Services**

The new contract includes the demonstration intermediate level services with case management only for children and adolescents under demonstration authority as an exception to the CHAMPUS benefit. This level of care provides out of home services in a less restrictive environment when compared to inpatient services. In addition, intense outpatient crisis intervention will be available to adults, children and adolescents and in-home services will be available to adults.

**Out-of-Area Care**

Beneficiaries who reside in the Fort Bragg/Pope Air Force Base catchment area are covered for mental health care in all other states if mental health care becomes necessary while the beneficiary is out of the catchment area. Non-Fort Bragg beneficiaries needing mental health care in this area will receive referrals, case management and other services under this contract, also. The Fort Bragg mental health contractor is not at-risk for the non-Fort Bragg beneficiary services.

**Emergency Access to Mental Health Services**

In emergency situations, Fort Bragg CHAMPUS-eligible beneficiaries may call the 24 hour CHOICE LINE or go to an emergency facility. Emergency calls to the CHOICE LINE are handled immediately by a licensed mental health clinician.

**Cost Sharing**

The associated cost sharing schedule for mental health and chemical dependency services is identified in the proposed rule notice (pending final approval), Vol. 60, **Federal Register** 7489, February 8, 1995.
