AGENCY FOR INTERNATIONAL DEVELOPMENT

Notice of Request for Application in Democracy and Governance

The U.S. Agency for International Development (USAID's) Center for Democracy and Governance has the goal of promoting sustainable development by providing technical and intellectual leadership services in democracy and governance. The purpose of the activities that constitute the two Democracy Center programs described in the Request for Application (RFA) is to enhance the Agency's capacity to support the growth and sustainability of (1) electoral and political processes and (2) women's participation in electoral and political processes in transition and sustainable development countries, and in non-presence countries.

To assist in achieving these objectives, the Democracy Center anticipates awarding at least \$500,000 a year for each of three years to each of two elections awards resulting from this RFA. In addition, other funding sources, including USAID Regional Bureaus and field Missions, could possibly provide up to several million dollars in additional funds for each award.

There will be one award for strengthening women's political participation resulting from this RFA. The anticipated funding level for the award is \$1 million for the entire three year period.

The RFA is being issued on June 26, 1995, and will close on August 4, 1995. Those interested in receiving a Request for Application should send a letter referencing solicitation OP/B/AEP-A-95-011 along with 3 self-addressed mailing labels.
