

Cash in Lieu Payments—Value of Donated Commodities for School Year 1995

Prior to October 1, 1994, section 6(b) of the Act (42 U.S.C. 1755(b)) required the Secretary of Agriculture by June 1 of each school year to estimate the value of agricultural commodities and other foods that will be delivered to States during that school year. If the estimated value was less than the total level of commodity assistance authorized under section 6(e) of the Act, the Secretary was in past years required by July 1 of that school year to pay to each State educational agency funds equal to the difference between the value of programmed deliveries and the total level of authorized assistance for each State.

However, section 102 of the Healthy Meals for Healthy Americans Act of 1994, amended section 6(b) of the Act by extending the delivery date of commodities to each State participating in the NSLP, until September 30 of the following school year. The commodity delivery date extension eliminates the need to pay States cash in lieu of commodities, effective with school year 1995.

Authority: Sections 6(e)(1)(A) and (B), 14(f) and 17(h)(1) of the National School Lunch Act, as amended (42 U.S.C. 1755(e)(1)(A) and (B), 1762a(f), and 1766(h)(1)).

Dated: June 29, 1995.

William E. Ludwig,
Administrator.
