SUPPLEMENTARY INFORMATION: Following is a summary of the application. The complete application is available for a fee from the Public Reference Branch of the SEC.

Applicant's Representations

1. On October 15, 1981, Applicant filed a registration statement under Section 8(b) of the 1940 Act, and filed a Form N-1 to register an indefinite number of shares under the Securities Act of 1933. The Form N-1 registration statement was declared effective on October 19, 1983, and the initial public offering commenced within three months thereafter.

2. At a meeting on July 24, 1994, Applicant's Board of Directors approved an Agreement and Plan of Reorganization between Pacific Select Fund and Applicant ("Agreement and Plan"), and recommended approval by the Applicant's shareholders of the transactions proposed in that Agreement and Plan. More specifically, pursuant to the Agreement and Plan, series of Pacific Select Fund ("Acquiring Series") would acquire all of the assets of series of Applicant ("Acquired Series") in exchange for shares of beneficial interest in the respective Acquiring Series and the assumption by the Acquiring Series of certain identified liabilities of the Acquired Series (such transactions shall be referred to herein as "Reorganizations"). The net asset value of shares issued in connection with the exchange would equal the net asset value of the shares of each Acquired Series then outstanding.

3. As part of the effort to secure shareholder approval of the Agreement and Plan, Pacific Select Fund filed a Form N-14 registration statement with the Commission on July 20, 1994; that Form N-14 registration statement became effective on August 19, 1994. A proxy statement/prospectus was sent to shareholders of the Applicant on or about September 19, 1994.

4. The Reorganizations were approved by the requisite vote of the shareholders of each Acquired Series at a Special Meeting of Shareholders held on October 24, 1994.

5. In connection with the Reorganizations, Pacific Select Fund and Applicant submitted an application for an order of the Commission pursuant to Section 17(b) of the 1940 Act, seeking exemption from Section 17(a) of the 1940 Act to the extent necessary to permit the assets of Applicant to be transferred to and combined with the assets of Pacific Select Fund in exchange for shares of Pacific Select Fund. The order was granted on November 29, 1994.

6. The Agreement and Plan was executed on November 14, 1994. Pursuant to the Agreement and Plan, shares of the respective Acquiring Series were distributed to shareholders of the

respective Acquired Series. As a result of this transaction, each shareholder of an Acquired Series ceased to be a shareholder of the Acquired Series and received that number of full and fractional shares of the respective Acquiring Series having an aggregate net asset value equal to the aggregate net asset value of such shareholder's shares of an Acquired Series as of December 30, 1994.

7. On December 31, 1994, pursuant to the Agreement and Plan, Applicant transferred to the Acquiring Series all of the assets and certain identified liabilities of the Acquired Series, and ceased operations.

8. Other than as described above, during the last 18 months, Applicant has not transferred any of its assets to a separate trust, the beneficiaries of which were or are security holders of Applicant.

9. Presently, no assets are retained by the Acquired Series, and no other debts or liabilities of the Applicant remain outstanding.

10. The expenses applicable to the transfer of the Applicant's assets, certain accounting, administrative and legal expenses, were borne by the Applicant, Pacific Select Fund, and Pacific Mutual Life Insurance Company (the Applicant's investment adviser), with the Applicant and Pacific Select Fund each bearing no more than one-third of the expenses. No series of either Applicant or Pacific Select Fund bore expenses to the extent that such expenses had a material impact on a series net asset value. For these purposes, an expense was considered material if its impact on the net asset value per share of a series equalled or exceeded \$.01 per share.

11. No brokerage commissions were paid in connection with the Reorganizations.

12. Expenses of liquidating, dissolving and deregistering the Applicant will be paid from assets paid by the Applicant to Pacific Select Fund which, pursuant to Agreement and Plan, were designated for such purposes in an amount up to \$2000 for each Acquired Series. Any additional costs will be paid by Pacific Mutual Life Insurance Company, not the Applicant or Pacific Select Fund.

13. Applicant is not now engaged, nor does it propose to engage, in any business activities other than those necessary for the winding-up of its affairs.

14. Other than the administrative proceeding initiated by the filing of this application, Applicant was not a party to any litigation or administrative

proceeding at the time of the filing of this application.

15. Applicant has made all filings under the 1940 Act, including Form N-SAR filings, for each period for which such filings were required.

16. The Applicant, a California corporation, intends to file a Certificate of Dissolution with the State.

For the Commission, by the Division of the Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.
