BILLING CODE 6712-01-F

47 CFR Part 73

[MM Docket No. 93-47; RM-8188; RM-8243]

Radio Broadcasting Services; Latta, Marion, Camden and Blythewood, SC

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: The Commission, at the request of Winfas of Belhaven, Inc., substitutes Channel 232C3 for Channel 232A at Marion, South Carolina, and reallocates Channel 232C3 from Marion to Latta South Carolina, as the community's first local aural transmission service, and modifies Station WCMG(FM)'s license accordingly. In order to accommodate the allotment at Latta, we substitute Channel 274A for Channel 232A at Camden, South Carolina, and modify Station W PUB-FM's license accordingly (RM-8188). See 58 FR 16518, March 29, 1993. We also dismiss the mutually exclusive counterproposal of Joseph Adams Ranke to allot Channel 232A at Blythewood, South Carolina, as the community's first local FM transmission service (RM-8243). See *Supplementary Information, infra*.

EFFECTIVE DATE: August 14, 1995.

FOR FURTHER INFORMATION CONTACT: Sharon P. McDonald, Mass Media Bureau, (202) 418-2180.

SUPPLEMENTARY INFORMATION: This is a synopsis of the Commission's *Report and Order*, MM Docket No. 93-47, adopted June 16, 1995, and released June 29, 1995. The full text of this Commission decision is available for inspection and copying during normal

business hours in the FCC Reference Center (Room 239), 1919 M Street, NW., Washington, DC. The complete text of this decision may also be purchased from the Commission's copy contractors, International Transcription Service, Inc., (202) 857-3800, 2100 M Street, NW., Suite 140, Washington, DC 20037.

Channel 232C3 can be allotted at Latta in compliance with the Commission's minimum distance separation requirements with a site restriction of 10.7 kilometers (6.6 miles) northwest to avoid a short-spacing to unoccupied but applied for Channel 231A, Kingstree, South Carolina, and Station WZKB, Channel 232A, Wallace, North Carolina. The coordinates for Channel 232C3 at Latta are North Latitude 34-25-33 and West Longitude 79-29-57. In addition, Channel 274A can be allotted to Camden in compliance with the Commission's minimum distance separation requirements at Station W PUB-FM's licensed transmitter site. The coordinates for Channel 274A at Camden are North Latitude 34-13-31 and West Longitude 80-40-44. With this action, this proceeding is terminated.

BILLING CODE 6712-01-F

DEPARTMENT OF COMMERCE**National Oceanic and Atmospheric Administration**

50 CFR Parts 630, 644, 645, 653, 669, and 678

[Docket No. 950628168-01; I.D. 051995A]

RIN 0648-XX23

Southeast Regional Director; Address Change

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule; technical amendment.

SUMMARY: NMFS issues this technical amendment to correct an outdated definition of "Regional Director" in the regulations for the fisheries affected by this rule.

EFFECTIVE DATE: July 7, 1995.

FOR FURTHER INFORMATION CONTACT: Rodney C. Dalton, 813-570-5310.

SUPPLEMENTARY INFORMATION: The fisheries affected by this rule are managed under their respective fishery management plans and implementing regulations under the authority of the Magnuson Fishery Conservation and Management Act.

The regulations governing these fisheries contain an outdated definition of "Regional Director." The NMFS Southeast Regional Office relocated on April 11, 1994; therefore, the address and phone number contained in the definition of "Regional Director" in the regulations for the fisheries referenced above are no longer correct. This final rule, technical amendment, corrects the outdated definitions.

Classification

This technical amendment is issued as a final rule under 50 CFR parts 630, 644, 645, 653, 669, and 678.

This final rule has been determined to be not significant for purposes of E.O. 12866.

Because this rule only revises an outdated office address in the specified regulations, no useful purpose would be served by providing prior notice and opportunity for public comment. Accordingly, the Assistant Administrator for Fisheries, NOAA, under 5 U.S.C. 553(b)(B), for good cause finds that it is unnecessary to provide prior notice and comment on this rule. Since the rule is non-substantive, under 5 U.S.C. 553(d), it is not subject to a 30-day delay in effective date.
