RIN 0648-XX23

Southeast Regional Director; Address Change

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule; technical amendment.

SUMMARY: NMFS issues this technical amendment to correct an outdated definition of "Regional Director" in the regulations for the fisheries affected by this rule.

EFFECTIVE DATE: July 7, 1995.

FOR FURTHER INFORMATION CONTACT: Rodney C. Dalton, 813-570-5310.

SUPPLEMENTARY INFORMATION: The fisheries affected by this rule are managed under their respective fishery management plans and implementing regulations under the authority of the Magnuson Fishery Conservation and Management Act.

The regulations governing these fisheries contain an outdated definition of "Regional Director." The NMFS Southeast Regional Office relocated on April 11, 1994; therefore, the address and phone number contained in the definition of "Regional Director" in the regulations for the fisheries referenced above are no longer correct. This final rule, technical amendment, corrects the outdated definitions.

Classification

This technical amendment is issued as a final rule under 50 CFR parts 630, 644, 645, 653, 669, and 678.

This final rule has been determined to be not significant for purposes of E.O. 12866.

Because this rule only revises an outdated office address in the specified regulations, no useful purpose would be served by providing prior notice and opportunity for public comment. Accordingly, the Assistant Administrator for Fisheries, NOAA, under 5 U.S.C. 553(b)(B), for good cause finds that it is unnecessary to provide prior notice and comment on this rule. Since the rule is non-substantive, under 5 U.S.C. 553(d), it is not subject to a 30-day delay in effective date.
