The purpose of this notice is to amend the section setting forth the amount of funding made available under the FY 1995 NOFA.

SUPPLEMENTARY INFORMATION: A Notice of Funding Availability (NOFA) announcing HUD's Fiscal Year (FY) 1995 funding of \$250,391,741 under the Public and Indian Housing Drug Elimination Program (PHDEP) was published on January 5, 1995 (59 FR 1846). This notice amends the FY 1995 PHDEP NOFA.

HUD mistakenly denied \$56,552 in FY 1994 funds to a successful FY 1994 PHDEP applicant. The successful applicant had requested these funds for the eligible purpose of hiring a tenant patrol specialist. In order to rectify its mistake, HUD will award this applicant \$56,552 from FY 1995 PHDEP funds. Accordingly, the section in the January 5, 1995 notice setting forth the amount of funds made available under the FY 95 PHDEP NOFA is being amended to reflect this reduction.

Accordingly, FR Doc. 94-3839, the FY 1995 NOFA for the Public and Indian Housing Drug Elimination Program (PHDEP), published in the **Federal Register** on January 5, 1995 (59 FR 1846) is corrected as follows:

1. On page 1847, in column 3, paragraph I.(b)(1) is amended to read as follows:

I. Purpose and Substantive Description

(b) Allocation Amounts

(1) Federal Fiscal year 1995 Funding. The amount available, to remain available until expended, for funding under this NOFA in FY 1995 is \$250,391,741. The Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act 1995, (approved September 28, 1994, Pub. L. 103-327), (95 App. Act) appropriated \$290 million for the Drug Elimination Program. Of the total \$290 million appropriated, \$13,925,000 will fund the Youth Sports Program; \$17,406,250 will fund the Assisted Housing Drug Elimination Program; \$10 million will

fund drug elimination technical assistance, contracts and other assistance training, program assessments, and execution for or on behalf of public housing and resident organizations (including the cost of necessary travel for participants in such training); and \$1,500,000 will fund drug information clearinghouse services. Additionally, a total of \$56,552 in FY 1995 funds is being awarded to a successful FY 1994 PHDEP grantee which was mistakenly denied this amount in FY 1994 funding for the eligible purpose of hiring a tenant patrol specialist. The remaining \$247,112,198 of the FY 1995 funds are being made available under this NOFA. In addition, \$3,222,991 of carryover FY 1994 PHDEP program will be made available under this NOFA for a total amount of \$250,335,189.

Notice of Funding Availability for Training and Technical Assistance for the Prevention of Youth Violence in Public Housing; Notice of Amendment and Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice of Funding Availability (NOFA) for Fiscal Year 1995; Notice of correction and amendment.

SUMMARY: On June 2, 1995 (60 FR 29456), HUD published a NOFA soliciting applications for a single two-year grant of up to \$550,000. The grant funds are to be used in the development and implementation of technical assistance (TA) for the prevention of youth violence in public housing. HUD is joining the Centers for Disease Control and Prevention in this effort. The purpose of this notice is to amend the grant award period and to correct a typographical error contained in the June 2, 1995 NOFA.

DATES: The original application deadline date is not changed. Applications must be received at HUD Headquarters at the address below on or before 3 p.m., Eastern Time, Friday, July 17, 1995. This application deadline is firm as to date and hour. In the interest of fairness to all competing applicants, the Department will treat as ineligible

for consideration any application that is received after the deadline. Applicants should take this practice into account and make early submission of their materials to avoid any risk of loss of eligibility brought about by any unanticipated or delivery-related problems. Applications received after the deadline will not be considered. A FAX is not acceptable.

APPLICATION SUBMISSION: An original and two copies of the application must be received by the deadline date at HUD Headquarters. Applications (original and two copies) should be sent to the Crime Prevention and Security Division of the Office of Community Relations and Involvement (OCRI), Public and Indian Housing, Department of Housing and Urban Development, Room 4116, 451 Seventh Street, SW, Washington, DC 20410-0500.

FOR FURTHER INFORMATION CONTACT: Elizabeth A. Cocke, Crime Prevention and Security Division (CPSD), Office of Community Relations and Involvement (OCRI), Public and Indian Housing, Department of Housing and Urban Development, Room 4116, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708-1197. A telecommunications device for hearing or speech impaired persons (TDD) is available at (202) 708-0850. (These are not toll-free telephone numbers.)

SUPPLEMENTARY INFORMATION: On June 2, 1995 (60 FR 28456), as part of a collaborative effort between HUD and the Centers for Disease Control and Prevention (CDC), HUD published a Notice of Funding Availability (NOFA) soliciting applications for a single two-year grant of up to \$550,000. The purpose of the grant is to assist public housing staff and residents in applying the results of current scientific research to the prevention of youth violence in public housing communities. This notice amends the grant award period and corrects a typographical error contained in the June 2, 1995 NOFA.

The June 2, 1995 NOFA establishes selection criteria by which HUD and the CDC will evaluate applicants for the grant award. Through this competitive process, the grant will be awarded to the applicant best able to develop and implement a system to provide scientifically based technical assistance to public housing developments. However, regardless of how successful the selected applicant is in developing and administering the technical assistance, the June 2, 1995 NOFA establishes a two-year limit on funding. HUD and the CDC have determined that the best way to assure the achievement of the goals set forth in the June 2, 1995

NOFA is to provide a mechanism by which funding can possibly be continued past the two-year grant award period. Accordingly, this notice amends the June 2, 1995 NOFA by granting HUD and the CDC the option to extend grant funding for additional years, subject to the grantee's performance and the availability of funding.

In addition to amending the grant award period, this document corrects a typographical error contained in the June 2, 1995 NOFA. The first sentence of the **SUMMARY** paragraph of the June 2, 1995 NOFA reads: "This NOFA solicits applications for a single two-year grant of up to \$500,000." The correct grant amount, which is set forth in the body of the NOFA, is \$550,000.

Accordingly, FR Doc. 95-3906, Notice of Funding Availability (NOFA) for Training and Technical Assistance for the Prevention of Youth Violence in Public Housing, published in the **Federal Register** on June 2, 1995 (60 FR 29456) is corrected and amended as follows:

1. On page 29456, in column 1, the first paragraph, **SUMMARY**, is corrected and amended as follows:

SUMMARY: This NOFA solicits applications for a single two-year grant of up to \$550,000. The grant is being awarded for the purposes of developing and implementing training and technical assistance for the prevention of youth violence in public housing. The TA and training are intended to assist public housing communities in conducting youth violence prevention activities and in using the most relevant scientific information when doing so. HUD is joining the Centers for Disease Control and Prevention in this effort. At the option of HUD and the CDC, the grant award period may be extended, subject to the grantee's performance and the availability of funding.

2. Under the heading "I. Purpose and Substantive Description" beginning on page 29456, the following amendments are made:

a. On page 29456, in column 2, the third and final sentence of paragraph I.(b) is amended;

b. On page 29456, in column 3, the third paragraph of paragraph I.(d) is amended;

c. On page 29459, in column 2, paragraph I.(h)(1), is amended, as follows:

I. Purpose and Substantive Description

(b) * * * This NOFA makes up to \$550,000 of the \$10 million available for a cost reimbursable grant of two years in duration. HUD and the CDC may extend the funding for an additional year(s),
