

fund drug elimination technical assistance, contracts and other assistance training, program assessments, and execution for or on behalf of public housing and resident organizations (including the cost of necessary travel for participants in such training); and \$1,500,000 will fund drug information clearinghouse services. Additionally, a total of \$56,552 in FY 1995 funds is being awarded to a successful FY 1994 PHDEP grantee which was mistakenly denied this amount in FY 1994 funding for the eligible purpose of hiring a tenant patrol specialist. The remaining \$247,112,198 of the FY 1995 funds are being made available under this NOFA. In addition, \$3,222,991 of carryover FY 1994 PHDEP program will be made available under this NOFA for a total amount of \$250,335,189.

[Docket No. N-95-3906; FR-3889-N-02]

Notice of Funding Availability for Training and Technical Assistance for the Prevention of Youth Violence in Public Housing; Notice of Amendment and Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice of Funding Availability (NOFA) for Fiscal Year 1995; Notice of correction and amendment.

SUMMARY: On June 2, 1995 (60 FR 29456), HUD published a NOFA soliciting applications for a single two-year grant of up to \$550,000. The grant funds are to be used in the development and implementation of technical assistance (TA) for the prevention of youth violence in public housing. HUD is joining the Centers for Disease Control and Prevention in this effort. The purpose of this notice is to amend the grant award period and to correct a typographical error contained in the June 2, 1995 NOFA.

DATES: The original application deadline date is not changed. Applications must be received at HUD Headquarters at the address below on or before 3 p.m., Eastern Time, Friday, July 17, 1995. This application deadline is firm as to date and hour. In the interest of fairness to all competing applicants, the Department will treat as ineligible

for consideration any application that is received after the deadline. Applicants should take this practice into account and make early submission of their materials to avoid any risk of loss of eligibility brought about by any unanticipated or delivery-related problems. Applications received after the deadline will not be considered. A FAX is not acceptable.

APPLICATION SUBMISSION: An original and two copies of the application must be received by the deadline date at HUD Headquarters. Applications (original and two copies) should be sent to the Crime Prevention and Security Division of the Office of Community Relations and Involvement (OCRI), Public and Indian Housing, Department of Housing and Urban Development, Room 4116, 451 Seventh Street, SW, Washington, DC 20410-0500.

FOR FURTHER INFORMATION CONTACT: Elizabeth A. Cocke, Crime Prevention and Security Division (CPSD), Office of Community Relations and Involvement (OCRI), Public and Indian Housing, Department of Housing and Urban Development, Room 4116, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708-1197. A telecommunications device for hearing or speech impaired persons (TDD) is available at (202) 708-0850. (These are not toll-free telephone numbers.)

SUPPLEMENTARY INFORMATION: On June 2, 1995 (60 FR 28456), as part of a collaborative effort between HUD and the Centers for Disease Control and Prevention (CDC), HUD published a Notice of Funding Availability (NOFA) soliciting applications for a single two-year grant of up to \$550,000. The purpose of the grant is to assist public housing staff and residents in applying the results of current scientific research to the prevention of youth violence in public housing communities. This notice amends the grant award period and corrects a typographical error contained in the June 2, 1995 NOFA.

The June 2, 1995 NOFA establishes selection criteria by which HUD and the CDC will evaluate applicants for the grant award. Through this competitive process, the grant will be awarded to the applicant best able to develop and implement a system to provide scientifically based technical assistance to public housing developments. However, regardless of how successful the selected applicant is in developing and administering the technical assistance, the June 2, 1995 NOFA establishes a two-year limit on funding. HUD and the CDC have determined that the best way to assure the achievement of the goals set forth in the June 2, 1995

NOFA is to provide a mechanism by which funding can possibly be continued past the two-year grant award period. Accordingly, this notice amends the June 2, 1995 NOFA by granting HUD and the CDC the option to extend grant funding for additional years, subject to the grantee's performance and the availability of funding.

In addition to amending the grant award period, this document corrects a typographical error contained in the June 2, 1995 NOFA. The first sentence of the **SUMMARY** paragraph of the June 2, 1995 NOFA reads: "This NOFA solicits applications for a single two-year grant of up to \$500,000." The correct grant amount, which is set forth in the body of the NOFA, is \$550,000.

Accordingly, FR Doc. 95-3906, Notice of Funding Availability (NOFA) for Training and Technical Assistance for the Prevention of Youth Violence in Public Housing, published in the **Federal Register** on June 2, 1995 (60 FR 29456) is corrected and amended as follows:

1. On page 29456, in column 1, the first paragraph, **SUMMARY**, is corrected and amended as follows:

SUMMARY: This NOFA solicits applications for a single two-year grant of up to \$550,000. The grant is being awarded for the purposes of developing and implementing training and technical assistance for the prevention of youth violence in public housing. The TA and training are intended to assist public housing communities in conducting youth violence prevention activities and in using the most relevant scientific information when doing so. HUD is joining the Centers for Disease Control and Prevention in this effort. At the option of HUD and the CDC, the grant award period may be extended, subject to the grantee's performance and the availability of funding.

2. Under the heading "I. Purpose and Substantive Description" beginning on page 29456, the following amendments are made:

a. On page 29456, in column 2, the third and final sentence of paragraph I.(b) is amended;

b. On page 29456, in column 3, the third paragraph of paragraph I.(d) is amended;

c. On page 29459, in column 2, paragraph I.(h)(1), is amended, as follows:

I. Purpose and Substantive Description

(b) * * * This NOFA makes up to \$550,000 of the \$10 million available for a cost reimbursable grant of two years in duration. HUD and the CDC may extend the funding for an additional year(s),

subject to the grantee's performance and the availability of funding.

* * * * *

(d) * * * HUD and the National Centers for Disease Control and Prevention (CDC) are soliciting applications for a single two-year grant of up to \$550,000. HUD and the CDC have the option to extend the Cooperative Agreement for an additional year(s), subject to the grantee's performance and the availability of funding. The purpose of the grant is to assist public housing staff and residents in applying the results of current scientific research to the prevention of youth violence in public housing communities. * * *

BILLING CODE 4210-33-P

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Notice of Proposed Revised Procedures Implementing the National Environmental Policy Act (NEPA) for the Bureau of Indian Affairs (BIA)

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of Proposed Revised NEPA Procedures.

SUMMARY: This notice announces a proposed revision of Appendix 4 to the Department's NEPA procedures (516 DM, Appendix 4) which were published in the **Federal Register** on March 31, 1988 (53 FR 10439).

DATES: The Appendix 4 will be adopted after a 30-day comment period. Comments received during this time will be considered.

ADDRESSES: Send comments to: Dr. Willie R. Taylor, Director, Office of Environmental Policy and Compliance, MIB 2340, 1849 C St NW, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Dr. Willie R. Taylor, Director, Office of

Environmental Policy and Compliance; telephone (202) 208-3891. For the Bureau of Indian Affairs, contact Dr. Donald Sutherland telephone (202) 208-4791.

SUPPLEMENTAL INFORMATION: This proposed revised Appendix 4 to the Department manual (516 DM 6) provides more specific NEPA compliance guidance to the BIA. In particular, it updates information about BIA organizational responsibilities for NEPA compliance, updates guidance to applicants, adds to those actions normally requiring preparation of an environmental impact statement (EIS) and updates, revises, and adds to those actions categorically excluded from the NEPA process. The additions reflect continued BIA experience with the NEPA process and are primarily in the land conveyance, waste management and roads and transportation areas. The Appendix 4 must be used in conjunction with Departmental procedures and the Council on Environmental Quality regulations (40 CFR parts 1500-1508). In addition, the BIA has prepared a Handbook (30 BIAM, Supplement 1) to provide technical guidance on how to apply these procedures to its principal programs at the Area and Agency levels.

Comments are solicited and will be considered in the final version of Appendix 4.

516 DM 6, Appendix 4

4.1 NEPA Responsibility

A. *Deputy Commissioner of Indian Affairs* is responsible for NEPA compliance of Bureau of Indian Affairs (BIA) activities and programs.

B. *Director, Office of Trust Responsibilities* (OTR) is responsible for oversight of the BIA program for achieving compliance with NEPA, program direction, and leadership for BIA environmental policy, coordination and procedures.

C. *Environmental Services Staff*, reports to the Director (OTR). This office is the Bureau-wide focal point for overall NEPA policy and guidance and is responsible for advising and assisting Area Offices, Agency Superintendents, and other field support personnel in their environmental activities. The office also provides training and acts as the Central Office's liaison with Indian tribal governments on NEPA and other environmental compliance matters. Information about BIA NEPA documents or the NEPA process can be obtained by contacting the Environmental Services Staff.

D. *Other Central Office Directors and Division Chiefs* are responsible for

ensuring that the programs and activities within their jurisdiction comply with NEPA.

E. *Area Directors and Project Officers* are responsible for assuring NEPA compliance with all activities under their jurisdiction and providing advice and assistance to Agency Superintendents and consulting with the Indian tribes on environmental matters related to NEPA. Area Directors and Project Officers are also responsible for assigning sufficient trained staff to ensure NEPA compliance is carried out. An Environmental Coordinator is located at each Area Office.

F. *Agency Superintendents and Field Unit Supervisors* are responsible for NEPA compliance and enforcement at the Agency or field unit level.

4.2 Guidance to Applicants and Tribal Governments

A. Relationship With Applicants and Tribal Governments

1. Guidance to Applicants.

a. An "applicant" is an entity which proposes to undertake any activity which will at some point require BIA action. These may include tribal governments, private entities, state and local governments or other Federal agencies. BIA compliance with NEPA is Congressionally mandated. Compliance is initiated when a BIA action is necessary in order to implement a proposal.

b. Applicants should contact the BIA official at the appropriate level for assistance. This will be the Agency Superintendent, Area Director or the Director, Office of Trust Responsibilities.

c. If the applicant's proposed action will affect or involve more than one tribal government, one government agency, one BIA Agency, or where the action may be of State-wide or regional significance, the applicant should contact the respective Area Director(s). The Area Director(s), using sole discretion, may assign the lead NEPA compliance responsibilities to one Area Office or, as appropriate, to one Agency Superintendent. From that point, the Applicant will deal with the designated lead office.

d. Since much of the applicant's planning may take place outside the BIA system, it is the applicant's responsibility to prepare a milestone chart for BIA use at the earliest possible stage in order to coordinate the efforts of both parties. Early communication with the responsible BIA office will expedite determination of the appropriate type of NEPA documentation required. Other matters
