Administration (HCFA), (**Federal Register**, Vol. 59, No. 60, pp. 14643-14644, dated Tuesday, March 29, 1994) is amended to reflect changes in the substructure of the Office of the Actuary (OACT). The OACT functional statement has not been changed; however, the remaining OACT substructure is being published to reflect the organizational changes resulting from streamlining efforts.

The specific amendments to Part F are as follows:

- Section F.10.C.4. (Organization) is amended to read as follows:
 4. Office of the Actuary
 - a. Office of Medicare and Medicaid Cost Estimates
 - b. Office of National Health Statistics
 - Section F.20.C.4. (Functions) is amended by modifying office statements and deleting the office substructure in their entirety. The new functional statements read as follows:

**a. Office of Medicare and Medicaid
Cost Estimates (FKC1)**

- Prepares cost estimates for the Hospital Insurance (HI) program, the Supplementary Medical Insurance (SMI) program, and the Medicaid program for use in the President's budget.
- Evaluates the operations of the Medicare trust funds particularly relating to outlays and program solvency.
- Develops such variables as the Part B premium rates, the inpatient hospital deductible, the Part A premium rate for voluntary enrollees, and the physicians' economic index applicable to prevailing fees.

- Develops the payment rates for the annual update of the adjusted average per capita cost (AAPCC) ratebook, which is used to pay health maintenance organizations that enter into a risk contract with HCFA to provide benefits to Medicare enrollees.
- Provides cost estimates for the Medicaid program, including the development of cost estimates for proposed changes in Medicaid or in programs affecting Medicaid, and overall Medicaid program costs for years after the current budget year.

- Serves as technical consultant throughout the Government on Medicare and Medicaid cost estimate issues.
- Provides actuarial consultation to other organizations in the research of AAPCC methodology.

Medicare and Medicaid cost estimate issues.

- Provides actuarial consultation to other organizations in the research of AAPCC methodology.

**b. Office of National Health Statistics
(FKC2)**

- Develops, maintains and makes analytical use of the National Health Accounts (NHA) which include annual

estimates and publication of National Health Expenditures (NHE) and periodic estimates and publication of NHE by age groupings or by region.

- Provides technical support for HCFA regulatory processes, especially those related to payment systems or reform.
- Develops, analyzes and publishes, health sector models and associated estimates which allow assessments of historical relationships and projections of current law or evaluation of the impact of proposed changes to the current system.
- Plans and manages the Medicare Current Beneficiary Survey. Provides all the in-house activities needed for survey management, data analysis, and coordination and information dissemination.
- Conducts and evaluates surveys containing information relevant to the health care system.
- Maintains, updates and revises the provider market basket input price indexes and the Medicare Economic Index.
