

entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided for by section 751(a)(1) of the Tariff Act. A cash deposit of estimated antidumping duties shall be required on shipments of certain cut-to-length carbon steel plate from Germany as follows: (1) The cash deposit rate for the reviewed company will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this review, the cash deposit rate will be 36.00 percent. This is the "all others" rate from the LTFV investigation. See Final Determination of Sales at Less Than Fair Value: Certain Cut-To-Length Carbon Steel Plate from Germany, 58 FR 37136 (July 9, 1993).

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and this notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: July 6, 1995.

Determination Not to Revoke Antidumping Duty Orders and Findings Nor to Terminate Suspended Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Determination not to revoke antidumping duty orders and findings

nor to terminate suspended investigations.

SUMMARY: The Department of Commerce is notifying the public of its determination not to revoke the antidumping duty orders and findings nor to terminate the suspended investigations listed below.

EFFECTIVE DATE: July 13, 1995.

FOR FURTHER INFORMATION CONTACT: Michael Panfeld or the analyst listed under Antidumping Proceeding at: Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-4737.

SUPPLEMENTARY INFORMATION: The Department of Commerce (the Department) may revoke an antidumping duty order or finding or terminate a suspended investigation, pursuant to 19 CFR 353.25(d)(4)(iii), if no interested party has requested an administrative review for four consecutive annual anniversary months and no domestic interested party objects to the revocation or requests an administrative review.

We had not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months. Therefore, pursuant to § 353.25(d)(4)(i) of the Department's regulations, on April 28, 1995, we published in the **Federal Register** a notice of intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations and served written notice of the intent to each domestic interested party on the Department's service list in each case. Within the specified time frame, we received objections from domestic interested parties to our intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations. Therefore, because domestic interested parties objected to our intent to revoke or terminate, we no longer intend to revoke these antidumping duty orders and findings or to terminate the suspended investigations.
