Conveyance of Mineral Interests in California

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Segregation.

SUMMARY: The private land described in this notice, aggregating 149.61 acres, is segregated and made unavailable for

filings under the general mining laws and the mineral leasing laws to determine its suitability for conveyance of the reserved mineral interest pursuant to section 209 of the Federal Land Policy and Management Act of October 21, 1976.

The mineral interests will be conveyed in whole or in part upon favorable mineral examination.

The purpose is to allow consolidation of surface and subsurface of minerals ownership where there are no known mineral values or in those instances where the reservation interferes with or precludes appropriate nonmineral development and such development is a more beneficial use of the land than the mineral development.

SUMMARY: In accordance with the National Environmental Policy Act of 1969 (40 CFR 1550.2), and the Federal Land Policy and Management Act of 1976, (43 CFR 1610.2 (g)), the Department of the Interior, Bureau of Land Management (BLM), Eugene District provides notice of availability of the Approved Resource Management Plan (ARMP) and Record of Decision (ROD) for the Eugene District. This ARMP supersedes the existing Eugene District Management Framework Plan (1983), and other related documents for managing approximately 318,000 acres of mostly forested public land and 1,299 acres of non-federal surface ownership with federal mineral estate administered by the Bureau of Land Management in Benton, Douglas, Lane, and Linn counties in Oregon.

ADDRESSES: Copies of the ARMP/ROD are available upon request by contacting the Eugene District Office, Bureau of Land Management, 2890 Chad Drive, Eugene, Oregon 97408-7336. The full supporting record for the ARMP is available for inspection in the Eugene District Office at the address shown above. Copies of the draft RMP/EIS and proposed RMP/final EIS are also available for inspection in the public room on the 7th floor of the BLM Oregon/Washington State Office, 1515 SW Fifth Street, Portland, Oregon, and public libraries in Eugene/Springfield during normal hours.

SUPPLEMENTARY INFORMATION: The Eugene District ARMP/ROD is essentially the same as the Eugene District Proposed Resource Management Plan and Final Environmental Impact Statement (PRMP/FEIS).
