**Tennessee Gas Pipeline Company;
Notice of Filing of Petition for
Clarification**

July 10, 1995.

Take notice that on July 5, 1995, Tennessee Gas Pipeline Company (Tennessee) filed a petition for clarification requesting that the Commission clarify that Tennessee is authorized to retain, among others, two case-specific upstream transportation service agreements necessary to continue post-restructuring transportation service to its "NOREX" and Boundary Gas, Inc. (Boundary) customers. The two upstream transportation agreements are Rate Schedule X-48 with Consolidated Gas Supply Corporation for service to the Boundary customers, and Rate Schedule X-81 with Consolidated Natural Gas Transmission Company for service to the NOREX customers.

Tennessee states that it is clear from the orders issued in Docket Nos. RS92-23, *et al.* that the Commission intended to allow Tennessee to retain these upstream services post-restructuring but, due to inadvertent error, the actual rate schedules were mislabeled in Tennessee's filings, and consequently in the Commission's orders.

Tennessee states that copies of the filing have been mailed on all parties listed on the official service list compiled by the Secretary in this proceeding.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection in the public reference room.
