

arrangements will benefit the Separate Account (or Other Account) and owners of the Other Contracts. Equitable will maintain and make available on request to the Commission or its staff a memorandum setting forth in detail the products analyzed, and the methodology and results of, the comparative review.

10. Equitable also represents that the Separate Account will invest only in an underlying mutual fund which would undertake, in the event it should adopt any plan under Rule 12b-1 to finance distribution expenses, to have such plan formulated and approved by a board of directors, a majority of the members of which are not "interested persons" of such fund within the meaning of Section 2(a)(19) of the 1940 Act.

Conclusion

Applicants submit, for the reasons stated herein, that the requested exemptions from Sections 26(a)(2)(C) and 27(c)(2) of the 1940 Act to permit the assessment of the mortality and expense risk charge under the Contracts and Other Contracts meet the standards set out in Section 6(c) of the 1940 Act. Accordingly, Applicants assert that the requested exemptions are necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Deputy Secretary.
